On November 17, 2017, Burlington Coat Factory Warehouse Corporation (the “Company”), an indirect wholly-owned subsidiary of Burlington Stores, Inc., entered into Amendment No. 6 (the “Amendment”) to the Credit Agreement dated as of February 24, 2011 (as amended by that certain Amendment No. 1 dated as of May 16, 2012, as further amended by that certain Amendment No. 2 dated as of February 15, 2013, as further amended by that certain Amendment No. 3 dated as of May 17, 2013, as further amended by that certain Amendment No. 4 dated as of August 13, 2014, and as further amended by that certain Amendment No. 5 dated as of July 29, 2016, the “Term Loan Credit Agreement”) with JPMorgan Chase Bank, N.A., as administrative agent, and the lenders and facility guarantors party thereto. JPMorgan Chase Bank, N.A., Goldman Sachs Lending Partners LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, and Wells Fargo Securities LLC acted as joint lead arrangers and joint bookrunners for the Amendment.

The parties entered into the Amendment in order to, among other things, reduce the interest rate margins applicable to the Company’s term loan facility from 1.75% to 1.50%, in the case of prime rate loans, and from 2.75% to 2.50%, in the case of LIBOR loans, with the LIBOR floor continuing to be 0.75%. The Amendment also extended the maturity date from August 13, 2021 to November 17, 2024. The Amendment was accomplished by replacing the outstanding \$1,117 million principal amount of term B-4 loans (the “Term B-4 Loans”) with a like aggregate principal amount of term B-5 loans (the “Term B-5 Loans”).

The foregoing description of the Amendment is qualified in its entirety by reference to such document, a copy of which is attached hereto as Exhibit 10.1 and is incorporated into this Item 1.01 by reference.

If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Borrower or the Required Lenders shall so request, the Administrative Agent, the Lenders and the Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior

to such change therein and (ii) the Borrower shall provide to the Administrative Agent and the Lenders as reasonably requested hereunder a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP. In addition, the definitions set forth in the Loan Documents and any financial calculations required by the Loan Documents shall be computed to exclude (a) the effect of purchase accounting adjustments, including the effect of non-cash items resulting from any amortization, write-up, write-down or write-off of any assets or deferred charges (including without limitation intangible assets, goodwill and deferred financing costs in connection with the BCFWC Acquisition, any Permitted Acquisition or any Acquisition, merger, consolidation or other similar transaction permitted by this Agreement), (b) the application of ASC 815 (Derivatives and Hedging), ASC 480 (Distinguishing Liabilities from Equity) or ASC 718 (Stock Compensation) (to the extent the pronouncements in ASC 718 result in recording an equity award as a liability on the Consolidated balance sheet of BCF Holdings and its Subsidiaries in the circumstance where, but for the application of the pronouncements, such award would have been classified as equity), (c) any mark-to-market adjustments to any derivatives (including embedded derivatives contained in other debt or equity instruments under ASC 815), (d) any non-cash compensation charges resulting from the application of ASC 718, and (e) any change to lease accounting rules from those in effect pursuant to ASC 840 (Leases) and other related lease accounting guidance as in effect on the Closing Date. Notwithstanding anything in this Agreement to the contrary, any change in GAAP or the application or interpretation thereof that would require operating leases (or leases that would be operating leases if they existed on the date hereof) to be treated similarly as a capital lease shall not be given effect in the definitions of Indebtedness or Liens or any related definitions or in the computation of any financial ratio or requirement.

Notwithstanding the foregoing, for purposes of determining compliance with any covenant (including the computation of any financial covenant) contained herein, the effects of FASB ASC 825 (Financial Instruments) and ASC 470-20 (Debt with Conversion and Other Options) on financial liabilities shall be disregarded.

SECTION 1.04 Rounding. Any financial ratios required to be maintained by the Borrower (or otherwise required to be complied with to consummate a transaction) pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

SECTION 1.05 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

SECTION 1.06 Certifications. All certifications to be made hereunder by an officer or representative of a Loan Party shall be made by such person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party's behalf and not in such person's individual capacity.

SECTION 1.07 Compliance with Article VI; Calculation of Baskets.

(a) In the event that any Lien, Investment, Indebtedness (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof), disposition, Restricted Payment, affiliate transaction, restrictive agreement or prepayment of Indebtedness meets the criteria of one or more than one of the categories of transactions then permitted pursuant to any clause of such SECTIONS in Article VI, such transaction (or portion thereof) at any time, and from time to time, shall be permitted under one or more of such clauses as determined by the Borrower in its sole discretion at such time. The Borrower is entitled in its sole discretion to divide and classify such transaction (or portion thereof) in any one or more of the clauses of the SECTIONS referred to in the immediately preceding sentence and will only be required to include the amount and type of such transaction in such of the above clauses as determined by the Borrower at such time; provided that after such designation it may not subsequently reclassify such transaction (or portion thereof) except as provided in SECTION 6.01 and SECTION 6.02.

(b) With respect to any amounts incurred or transactions entered into (or consummated) in reliance upon a provision of this Agreement that does not require compliance with a financial ratio or leverage test (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or leverage test (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or leverage test applicable to the Incurrence-Based Amounts in connection with such substantially concurrent incurrence, except that incurrences of Indebtedness and Liens constituting Fixed Amounts shall be taken into account for purposes of Incurrence-Based Amounts other than Incurrence-Based Amounts contained in the definition of Maximum Incremental Amount and SECTIONS 6.01 and 6.02.

SECTION 1.08 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on (or before) a day which is not a Business Day, the date of such payment (other than as described in the definition of “Interest Period”) or performance shall extend to the immediately succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

SECTION 1.09 Limited Condition Transactions. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(1) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated Leverage Ratio, the Consolidated Secured Leverage Ratio, and the Consolidated Interest Coverage Ratio, including, but not limited to, in connection with incurrence of Indebtedness, the creation of Liens, the making of any asset sale or other disposition, the making of an Investment or Restricted Payment, the designation of a “Subsidiary” as restricted or unrestricted or the repayment or prepayment of Indebtedness; or

(2) determining compliance with representations and warranties (other than Specified Representations in the case of a Limited Condition transaction under clause (i) of such definition) and defaults or events of default (other than Specified Defaults); or

(3) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be deemed to be the date the definitive agreement for such Limited Condition Transaction is entered into, the date an irrevocable repayment or prepayment notice is given with respect thereto, or at the time of declaration thereof, as applicable (the "LCT Test Date"), and if, after giving Pro Forma Effect to the Limited Condition Transaction, the Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test, representations, warranties, defaults, specified defaults, events of default, or basket, such ratio, test, representations, warranties, defaults, specified defaults, events of default, or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been satisfied as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA, Consolidated Total Assets, Consolidated Total Debt, Consolidated Interest Expense, or Consolidated Net Income, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been satisfied as a result of such fluctuations. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, if the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any event or transaction occurring after the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for disposition, redemption, repurchase, defeasance, satisfaction and discharge or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction (a "Subsequent Transaction") in connection with which a ratio, test or basket availability calculation must be made on a Pro Forma Basis or giving Pro Forma Effect to such Subsequent Transaction, for purposes of determining whether such ratio, test or basket availability has been complied with under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated; provided, that for purposes of any Restricted Payment, such ratio, basket or compliance with any other provision hereunder shall also be tested as if such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or issuance of Indebtedness and the use of proceeds thereof) had not been consummated.

ARTICLE II

Amount and Terms of Credit

SECTION 2.01 Commitment of the Lenders.

- (a) [Reserved].
- (b) [Reserved].
- (c) [Reserved].

(d) (i) The Additional Term B-45 Lender agrees to make a term loan to the Borrower in dollars (a “Term B-45 Loan”) on the Amendment No. 56 Effective Date in an amount not to exceed the amount of its Additional Term B-45 Commitment and (ii) each Converted Term B-34 Loan of each Amendment No. 56 Consenting Lender shall be converted into a Term B-45 Loan of such Lender effective as of the Amendment No. 56 Effective Date in a principal amount equal to the principal amount of such Lender’s Converted Term B-34 Loan immediately prior to such conversion. Amounts repaid with respect to Term B-45 Loans may not be reborrowed. As of the Amendment No. 56 Effective Date the aggregate outstanding principal amount of Term B-45 Loans is \$1,117,000,000.

SECTION 2.02 [Reserved].

SECTION 2.03 Procedure for Term Loan Borrowing.

(a) The Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 11:00 A.M., New York City time, one Business Day prior to the anticipated Closing Date) requesting that the Lenders make the Term Loans on the Closing Date and specifying the amount to be borrowed and whether the Term Loans will initially be LIBO Loans or Prime Rate Loans (and, if LIBO Loans, the Interest Period for such Term Loans). Upon receipt of such notice the Administrative Agent shall promptly notify each Lender thereof. Not later than 12:00 noon, New York City time, on the Closing Date each Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Term B Loan to be made by such Lender. The Administrative Agent shall credit the account of the Borrower on the books of such office of the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by the Lenders in immediately available funds.

(b) Except as set forth in SECTION 2.09, SECTION 2.10 and SECTION 2.11, Term Loans shall be either Prime Rate Loans or LIBO Loans as the Borrower may request (which request shall substantially be made in the form attached hereto as Exhibit B-1) subject to and in accordance with this SECTION 2.03. Each Lender may fulfill its Commitment with respect to any Term Loan by causing any lending office of such Lender to make such Term Loan; provided, however, that any such use of a lending office shall not affect the obligation of the Borrower to repay such Term B Loan in

accordance with the terms of the applicable Note. Each Lender shall, subject to its overall policy considerations, use reasonable efforts to select a lending office which will not result in the payment of increased costs by the Borrower. Subject to the other provisions of this SECTION 2.03 and the provisions of SECTION 2.11, Borrowings of Term Loans of more than one Type may be incurred at the same time, but in any event no more than ten (10) Borrowings of LIBO Loans may be outstanding at any time.

(c) The procedures for the funding of Incremental Term Loans shall be as set forth in the applicable Incremental Term Loan Amendment.

(d) [Reserved].

(e) Not later than 1:00 p.m. (Eastern time) on the Amendment No. 56 Effective Date each Additional Term B-45 Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Term B-45 Loan to be made by such Additional Term B-45 Lender pursuant to its Additional Term B-45 Commitment. The Administrative Agent shall credit the account of the Borrower on the books of such office of the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by the Additional Term B-45 Lenders in immediately available funds.

SECTION 2.04 Repayment of Term Loans.

(a) ~~The principal amount of the Term B-4 Loans shall be due~~ Borrower shall repay Term B-5 Loans (x) on the last day of each March, June, September and December (commencing on December 31, 2017) in the principal amount of Term B-5 Loans equal to (i) the aggregate outstanding principal amount of Term B-5 Loans immediately after closing on the Amendment No. 6 Effective Date multiplied by (ii) 0.25% and (y) on the Maturity Date of the Term B-4 Loans 5 Loans in the principal amount of Term B-5 Loans then outstanding.

(b) The principal amount of each Incremental Term Loan of any Series shall amortize as provided in the applicable Incremental Term Loan Amendment.

(c) The principal amount of the Extended Term Loans of any Extension Series shall amortize as provided in the applicable Term Loan Extension Amendment (to be decreased in accordance with SECTION 2.17(f) in the event of any mandatory prepayments of such Extended Term Loan made hereunder or as directed by the Borrower in the event of any voluntary prepayments of the Term Loans hereunder).

Notwithstanding the foregoing, (x) the amounts required to be paid with respect to the Term Loans of any Class shall be reduced in connection with any prepayment of the Term Loans of such Class in accordance with SECTION 2.16 or 2.17, as applicable; and (y) the Term Loans of each Class, together with all other amounts owed hereunder with respect thereto, shall, in any event, be paid in full no later than the Maturity Date.

(a) The Borrower may by written notice to the Administrative Agent elect to request the establishment of one or more additional Classes of Term Loans denominated in dollars under this Agreement (“Incremental Term Loans”). Each such notice shall specify the date (each, an “Incremental Effective Date”) on which the Borrower proposes that the Incremental Term Loans shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period as agreed by the Administrative Agent); provided that:

(i) before and after giving effect to the borrowing of such Incremental Term Loans on the Incremental Effective Date no Event of Default shall have occurred and be continuing (or, to the extent the proceeds of any Incremental Term Loans are being used to finance a Permitted Acquisition or other Acquisition, no Specified Default shall have occurred and be continuing);

(ii) the Weighted Average Life to Maturity of such Incremental Term Loans shall not be shorter than the then remaining Weighted Average Life to Maturity of the Term B-45 Loans outstanding at the time of such borrowing;

(iii) all other terms applicable to such Incremental Term Loans (other than provisions relating to original issue discount, upfront fees and interest rates, amortization (other than the Maturity Date and subject to clause (ii) above), optional prepayments or redemption terms, in each case, which shall be as agreed between the Borrower and the Incremental Term Lenders providing such Incremental Term Loans subject to the proviso contained in the definition of Applicable Margin), shall be on market terms (as determined by the Borrower); provided that, in the event any financial maintenance covenant is included, which is applicable to any Incremental Term Loans, either (x) such financial maintenance covenant does not apply until the Term B-45 Loans have been repaid in full or (y) such financial maintenance covenant shall also apply to the Term B-45 Loans;

(iv) the aggregate principal amount of Incremental Term Loans (other than Refinancing Term Loans) borrowed following the Closing Date, when aggregated with the principal amount of Qualifying Secured Debt and Qualifying Other Debt issued pursuant to clause (v)(ii) of the definition of “Permitted Indebtedness,” would not exceed the Maximum Incremental Amount;

(v) the representations and warranties in this Agreement and the other Loan Documents shall be accurate in all material respects as of the Incremental Effective date (except to the extent that any such representation or warranty relates to a prior date), subject to customary “SunGard” limitations to the extent the proceeds of any Incremental Term Loans are being used to finance a Permitted Acquisition or other similar Permitted Investments; and

(vi) the Loan Parties and the Collateral Agent shall enter into such amendments to the Security Documents as may be reasonably requested by the Collateral Agent (which shall not require any consent from any Lender other than those consents provided pursuant to this Agreement and which may be provided on a post-closing basis) in order to ensure that the Incremental Term Loans are provided with the benefit of the applicable Security Documents and

shall deliver such other documents, certificates and opinions of counsel in connection therewith as may be reasonably requested by the Collateral Agent.

(b) The Borrower may approach any Lender or any other Person that would be an Eligible Assignee to provide all or a portion of the Incremental Term Loans (a “Incremental Term Lender”); provided that any Lender offered or approached to provide all or a portion of the Incremental Term Loans may elect or decline, in its sole discretion, to provide an Incremental Term Loan. Any Incremental Term Loans made on any Incremental Effective Date shall be designated a series (a “Series”) of Incremental Term Loans for all purposes of this Agreement; provided that, subject to the limitations set forth in clause (a) above, any Incremental Term Loans may, to the extent provided in the applicable Incremental Term Loan Amendment, be designated as an increase in any previously established Class of Term Loans.

(c) The Incremental Term Loans shall be established pursuant to an amendment to this Agreement among the Borrower, the Administrative Agent and the Incremental Term Lenders providing such Incremental Term Loans (an “Incremental Term Loan Amendment”) which shall be consistent with the provisions set forth in clause (a) above (but which shall not require the consent of any other Lender other than those consents provided pursuant this Agreement). Each Incremental Term Loan Amendment shall be binding on the Lenders, the Loan Parties and the other parties hereto.

SECTION 2.06 Extended Term Loans.

(a) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (an “Existing Term Loan Class”) be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so converted, “Extended Term Loans”) and to provide for other terms consistent with this SECTION 2.06. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the Existing Term Loan Class) (an “Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall be consistent with the Term Loans under the Existing Term Loan Class from which such Extended Term Loans are to be converted except that:

(i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Class to the extent provided in the applicable Term Loan Extension Amendment, or, if no scheduled amortization payments apply to such Existing Term Loan Class, scheduled amortization payments may apply to such Extended Term Loans after the Maturity Date of such Existing Term Loan Class;

(ii) the interest rates and call protection with respect to the Extended Term Loans may be different than the interest rates and call protection for the Term Loans of such Existing Term Loan Class and fees, premiums, and AHYDO payments may be paid to the Extending Term Lenders to the extent provided in the applicable Term Loan Extension Amendment; and

(iii) the Term Loan Extension Amendment may provide for except as to interest rates, fees, premiums, amortization, prepayments, AHYDO payments and, subject to clause (i) above, scheduled amortization (which shall, subject to the terms of this SECTION 2.06, be determined by the Borrower and set forth in the relevant offer of Extended Term Loans), Extended Term Loans with covenants and events of default which, if not consistent with the terms of the existing Term Loans, shall not be materially more restrictive to the Loan Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the existing Term Loans unless (x) the Lenders of the existing Term Loans receive the benefit of such more restrictive terms or (y) any such provisions apply after the latest Maturity Date applicable to the Existing Term Loan Class at the time such Extended Term Loans are made or converted from an Existing Term Loan Class.

(b) Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (an “Extension Series”) of Extended Term Loans for all purposes of this Agreement; provided that, subject to the limitations set forth in clause (a) above, any Extended Term Loans converted from an Existing Term Loan Class may, to the extent provided in the applicable Term Loan Extension Amendment, be designated as an increase in any previously established Class of Term Loans.

(c) The Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Lenders under the applicable Existing Term Loan Class are requested to respond. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Extension Request. Any Lender wishing to have all or a portion of its Term Loans under the Existing Term Loan Class subject to such Extension Request (such Lender an “Extending Term Lender”) converted into Extended Term Loans shall notify the Administrative Agent (an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Class which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements reasonably imposed by the Administrative Agent and acceptable to the Borrower). In the event that the aggregate amount of Term Loans under the Existing Term Loan Class subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to an Extension Request, Term Loans of the Existing Term Loan Class subject to Extension Elections shall be converted to Extended Term Loans on a pro rata basis based on the amount of Term Loans included in each such Extension Election.

(d) Extended Term Loans shall be established pursuant to an amendment (a “Term Loan Extension Amendment”) to this Agreement among the Borrower, and each Extending Term Lender providing an Extended Term Loan thereunder which shall be consistent with the provisions set forth in clause (a) above (but which shall not require the consent of any other Lender other than those consents provided pursuant to this Agreement). Each Term Loan Extension Amendment shall be binding on the Lenders, the Loan Parties and the other parties hereto. In connection with any Term Loan Extension Amendment, the Loan Parties and the Collateral Agent shall enter into such amendments to the Security Documents as may be reasonably requested by the Collateral

Agent (which shall not require any consent from any Lender other than those consents provided pursuant to this Agreement) in order to ensure that the Extended Term Loans are provided with the benefit of the applicable Security Documents and shall deliver such other documents, certificates and opinions of counsel in connection therewith as may be reasonably requested by the Collateral Agent.

SECTION 2.07 Notes.

(a) Promptly following the request of any Lender, the Term Loans made by such Lender shall be evidenced by a Note duly executed on behalf of the Borrower.

(b) Each Lender is hereby authorized by the Borrower to endorse on a schedule attached to each Note delivered to such Lender (or on a continuation of such schedule attached to such Note and made a part thereof), or otherwise to record in such Lender's internal records, an appropriate notation evidencing the date and amount of each Term Loan from such Lender, each payment and prepayment of principal of any such Term Loan, each payment of interest on any such Term Loan and the other information provided for on such schedule; provided, however, that the failure of any Lender to make such a notation or any error therein shall not affect the obligation of the Borrower to repay the Term Loans made by such Lender in accordance with the terms of this Agreement and the applicable Notes.

(c) Upon receipt of an affidavit and indemnity of a Lender as to the loss, theft, destruction or mutilation of such Lender's Note and upon cancellation of such Note, the Borrower will promptly issue, in lieu thereof, a replacement Note in favor of such Lender, in the same principal amount thereof and otherwise of like tenor at such Lender's expense.

SECTION 2.08 Interest on Term Loans.

(a) Subject to SECTION 2.12, each Prime Rate Loan of any Class shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as applicable) at a rate per annum that shall be equal to the then Prime Rate plus the Applicable Margin for Prime Rate Loans of such Class.

(b) Subject to SECTION 2.09 through SECTION 2.12, each LIBO Loan of any Class shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal, during each Interest Period applicable thereto, to the Adjusted LIBO Rate for such Class for such Interest Period, plus the Applicable Margin for LIBO Loans of such Class.

(c) Accrued interest on all Term Loans shall be payable in arrears on each Interest Payment Date applicable thereto, at maturity (whether by acceleration or otherwise) and after such maturity on written demand.

(a) The Borrower shall have the right at any time, on three (3) Business Days' prior notice to the Administrative Agent (which notice shall be in the form of Exhibit B-2 hereto and to be effective, must be received by the Administrative Agent not later than 11:00 a.m. on the third Business Day preceding the date of any conversion), (i) to convert any outstanding Borrowings of Prime Rate Loans to Borrowings of LIBO Loans, or (ii) to continue an outstanding Borrowing of LIBO Loans for an additional Interest Period, or (iii) to convert any outstanding Borrowings of LIBO Loans to a Borrowing of Prime Rate Loans, subject in each case to the following:

(i) no Borrowing of Term Loans may be converted into, or continued as, LIBO Loans at any time when any Event of Default has occurred and is continuing and Required Lenders have provided notice that such conversions and continuations are not permitted (nothing contained herein being deemed to obligate the Borrower to incur Breakage Costs upon the occurrence and during the continuance of an Event of Default unless the Obligations are accelerated);

(ii) if less than a full Borrowing of Term Loans is converted, such conversion shall be made pro rata among the Lenders based upon the respective principal amounts of the Term Loans comprising such Borrowing held by such Lenders immediately prior to such conversion;

(iii) the aggregate principal amount of Prime Rate Loans being converted into or continued as LIBO Loans shall be in an integral of \$1,000,000 and at least \$5,000,000;

(iv) each Lender shall effect each conversion by applying the proceeds of its new LIBO Loan or Prime Rate Loan, as the case may be, to its Term Loan being so converted;

(v) the Interest Period with respect to a Borrowing of LIBO Loans effected by a conversion or in respect to the Borrowing of LIBO Loans being continued as LIBO Loans shall commence on the date of conversion or the expiration of the current Interest Period applicable to such continuing Borrowing, as the case may be;

(vi) a Borrowing of LIBO Loans may be converted only on the last day of an Interest Period applicable thereto, unless the applicable Borrower pays all Breakage Costs incurred in connection with such conversion (it being understood that no Amendment No. 56 Consenting Lender shall be entitled to receive any amount under this SECTION 2.09(a)(vi) in connection with the Converted Term B-34 Loans); and

(vii) each request for a conversion or continuation of a Borrowing of LIBO Loans which fails to state an applicable Interest Period shall be deemed to be a request for an Interest Period of one (1) month.

(b) If the Borrower does not give notice to convert any Borrowing of LIBO Loans, or does not give notice to continue, or does not have the right to continue, any Borrowing as LIBO Loans, in each case as provided in SECTION 2.09(a) above, such Borrowing shall automatically be converted to, or continued as, as applicable, a Borrowing of Prime Rate Loans, at the expiration of the then-current Interest Period. The Administrative Agent shall, after it receives notice from the Borrower, promptly give each Lender notice of any conversion, in whole or part, of any Term Loan made by such Lender.

SECTION 2.10 Alternate Rate of Interest for Term Loans.

(a) If prior to the commencement of any Interest Period for a LIBO Borrowing, ~~the Administrative Agent:~~

(i) ~~(a) the Administrative Agent~~ reasonably determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate ~~(in accordance with the terms of the definition thereof for the LIBO Rate, as applicable (including, without limitation, because the LIBO Screen Rate is not available or published on a current basis)~~ for such Interest Period; or

(ii) ~~(b) the Administrative Agent~~ is advised by the Required Lenders that the Adjusted LIBO Rate or LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Required Lenders of making or maintaining their Term Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give written notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the applicable Lenders that the circumstances giving rise to such notice no longer exist (which notice the Administrative Agent shall deliver promptly upon obtaining knowledge of the same), (i) any Borrowing Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Borrowing shall be ineffective and (ii) if any Borrowing Request requests a LIBO Borrowing, such Borrowing shall be made as a Borrowing of Prime Rate Loans unless withdrawn by the Borrower.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be

applicable (but for avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin). Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Class Lenders stating that such Required Class Lenders object to such amendment as to such Class of Term Loans; provided however that receipt of such written notice from such Required Class Lender shall not prevent the effectiveness of such amendment with respect to any other Class. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.10(b), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Borrowing Request that requests the conversion of any Borrower to, or continuation of any Borrowing as, a LIBO Borrowing shall be ineffective, (y) if any Borrowing Request requests a LIBO Borrowing, such Borrowing shall be made as a Borrowing of Prime Rate Loans unless, notwithstanding anything to the contrary in this Agreement, the Borrower elects in its discretion to rescind such Borrowing Request; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for purposes of this Agreement.

SECTION 2.11 Change in Legality.

(a) Notwithstanding anything to the contrary contained elsewhere in this Agreement, if any Change in Law occurring after the Amendment No. 56 Effective Date shall make it unlawful for a Lender to make or maintain a LIBO Loan or to give effect to its obligations as contemplated hereby with respect to a LIBO Loan, then, by written notice to the Borrower, such Lender may (x) declare that LIBO Loans will not thereafter be made by such Lender hereunder, whereupon any request by the Borrower for a LIBO Borrowing shall, as to such Lender only, be deemed a request for a Prime Rate Loan unless such declaration shall be subsequently withdrawn; and (y) require that all outstanding LIBO Loans made by such Lender be converted to Prime Rate Loans, in which event all such LIBO Loans shall be automatically converted to Prime Rate Loans as of the effective date of such notice as provided in SECTION 2.09(b). In the event any Lender shall exercise its rights hereunder, all payments and prepayments of principal which would otherwise have been applied to repay the LIBO Loans that would have been made by such Lender or the converted LIBO Loans of such Lender, shall instead be applied to repay the Prime Rate Loans made by such Lender in lieu of, or resulting from the conversion of, such LIBO Loans.

(b) For purposes of this SECTION 2.11, a notice to the Borrower pursuant to SECTION 2.11(a) above shall be effective, if lawful, and if any LIBO Loans shall then be outstanding, on the last day of the then-current Interest Period; and otherwise such notice shall be effective on the date of receipt by the Borrower.

SECTION 2.12 Default Interest. After the occurrence of any Event of Default pursuant to SECTION 7.01(a) or SECTION 7.01(b) and at all times thereafter while such Event

of Default is continuing, interest shall accrue on all overdue amounts owing by the Borrower (after as well as before judgment, as and to the extent permitted by law) at a rate per annum (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days as applicable) (the “Default Rate”) equal to the rate (including the Applicable Margin) in effect from time to time plus two percent (2.00%) per annum and such interest shall be payable on written demand.

SECTION 2.13 [Reserved].

SECTION 2.14 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any holding company of any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) subject any Credit Party or any Loan Party to any Tax of any kind whatsoever with respect to Loans under this Agreement (except for Indemnified Taxes or Other Taxes covered by SECTION 2.23 (for the avoidance of doubt, no duplication of the Borrower’s obligation under SECTION 2.23 with respect to Indemnified Taxes or Other Taxes is intended under this clause (ii)) and any Excluded Taxes); or

(iii) impose on any Lender or the London interbank market any other condition affecting Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost in any material amount in excess of those incurred by similarly situated lenders to such Lender of making or maintaining any Loan or to increase the cost in any material amount in excess of those incurred by similarly situated lenders to such Lender or to reduce the amount in any material respect of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement or the Term Loans made by, such Lender, to a level below that which such Lender or such Lender’s holding company would have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company as specified in paragraph (a) or (b) of this SECTION 2.14 and setting forth in reasonable detail the manner in which such

amount or amounts were determined shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) Business Days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this SECTION 2.14 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this SECTION for any increased costs or reductions incurred more than 90 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, and provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 90 day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.15 [Reserved].

SECTION 2.16 Optional Prepayment of Term Loans; Reimbursement of Lenders.

(a) The Borrower shall have the right at any time and from time to time to prepay without premium (except as provided in SECTION 2.19(d)) or penalty (but subject to payment of Breakage Costs as provided herein) outstanding Term Loans of any Class in whole or in part, (x) with respect to LIBO Loans, upon at least two (2) Business Days' prior written, telex or facsimile notice to the Administrative Agent, prior to 12:00 noon, and (y) with respect to Prime Rate Loans, on the same Business Day if written, telex or facsimile notice is received by the Administrative Agent prior to 12:00 noon, subject in each case to the following limitations:

(i) all prepayments shall be applied to reduce scheduled remaining installments on the applicable Term Loans as directed by the Borrower;

(ii) subject to the foregoing, outstanding Prime Rate Loans of any Class shall be prepaid before outstanding LIBO Loans of such Class are prepaid (except as otherwise directed by the Borrower). Each partial prepayment of LIBO Loans shall be in an integral multiple of \$1,000,000 (but in no event less than \$5,000,000). No prepayment of LIBO Loans of any Class shall be permitted pursuant to this SECTION 2.16 other than on the last day of an Interest Period applicable thereto, unless the Borrower reimburses the Lenders for all Breakage Costs associated therewith within ten (10) Business Days of receiving a written demand for such reimbursement which sets forth the calculation of such Breakage Costs in reasonable detail. No partial prepayment of a Borrowing of LIBO Loans shall result in the aggregate principal amount of the LIBO Loans remaining outstanding pursuant to such Borrowing being less than \$5,000,000 (unless all such outstanding LIBO Loans are being prepaid in full); and

(iii) each notice of prepayment shall specify the prepayment date, the principal amount, Type and Class of Term Loans to be prepaid and, in the case of LIBO Loans, the Borrowing or Borrowings pursuant to which such Term Loans were made. Each notice of prepayment shall be revocable, provided that, within ten (10) Business Days of receiving a written demand for such reimbursement which sets forth the calculation of such Breakage Costs

in reasonable detail, the Borrower shall reimburse the Lenders for all Breakage Costs associated with the revocation of any notice of prepayment. The Administrative Agent shall, promptly after receiving notice from the Borrower hereunder, notify each applicable Lender of the principal amount, Type and Class of Term Loans held by such Lender which are to be prepaid, the prepayment date and the manner of application of the prepayment.

(b) The Borrower shall reimburse each Lender as set forth below for any loss (other than loss of anticipated profits) incurred or to be incurred by the Lenders in the reemployment of the funds resulting from any prepayment (for any reason whatsoever, including, without limitation, conversion to Prime Rate Loans or acceleration by virtue of, and after, the occurrence and during the continuance of an Event of Default) of any LIBO Loan required or permitted under this Agreement, if such LIBO Loan is prepaid other than on the last day of the Interest Period for such LIBO Loan (it being understood that no Amendment No. 56 Consenting Lender shall be entitled to receive any amount under this SECTION 2.16(b) in connection with the Converted Term B-34 Loans). Such loss shall be the amount (herein, collectively, "Breakage Costs") as reasonably determined by such Lender as the excess, if any, of (A) the amount of interest which would have accrued to such Lender on the amount so paid, not prepaid or not borrowed at a rate of interest equal to the Adjusted LIBO Rate for such LIBO Loan (but specifically excluding any Applicable Margin), for the period from the date of such payment or failure to borrow or failure to prepay to the last day (x) in the case of a payment or refinancing of a LIBO Loan with Prime Rate Loans other than on the last day of the Interest Period for such LIBO Loan or the failure to prepay a LIBO Loan, of the then current Interest Period for such LIBO Loan or (y) in the case of such failure to borrow, of the Interest Period for such LIBO Loan which would have commenced on the date of such failure to borrow, over (B) the amount of interest which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the London interbank market. Any Lender demanding reimbursement for such loss shall deliver to the Borrower from time to time one or more certificates setting forth the amount of such loss as determined by such Lender and setting forth in reasonable detail the manner in which such amount was determined and such amounts shall be due within ten (10) Business Days after the receipt of such notice.

(c) Whenever any partial prepayment of Term Loans are to be applied to LIBO Loans of any Class, such LIBO Loans shall be prepaid in the chronological order of their Interest Payment Dates or as the Borrower may otherwise designate in writing.

(d) (i) Notwithstanding anything to the contrary in this SECTION 2.16 (which provisions shall not be applicable to this SECTION 2.16(d)), the Borrower shall have the right at any time and from time to time to prepay Term Loans of any Class from Lenders electing to participate in such prepayments at a discount to the par value of such Term Loans and on a non-pro rata basis (each, a "Discounted Voluntary Prepayment") pursuant to the applicable procedures described in this SECTION 2.16(d); provided that (A) no Discounted Voluntary Prepayment shall be made unless (A) immediately after giving effect to such Discounted Voluntary Prepayment, no Event of Default has occurred and is continuing and (B) any Discounted Voluntary Prepayment shall be offered to all Lenders with Term Loans of such Class on a pro rata basis. Each Lender

making such assignment pursuant to this SECTION 2.16(d) acknowledges and agrees that in connection with such assignment, (1) the Loan Parties then may have and later may come into possession of MNPI, (2) such Lender has independently, and without reliance on any Loan Party, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment, notwithstanding such Lender's lack of knowledge of the MNPI and (3) none of the Loan Parties, the Administrative Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Applicable Law, any claims such Lender may have against any Loan Party, the Administrative Agent and their respective Affiliates, under Applicable Law or otherwise, with respect to the nondisclosure of the MNPI. Each Lender entering into such an assignment further acknowledges that the MNPI may not be available to the Administrative Agent or the other Lenders.

(ii) To the extent the Borrower seeks to make a Discounted Voluntary Prepayment, the Borrower will provide written notice to the Auction Manager (and if not the Auction Manager, the Administrative Agent) substantially in the form of Exhibit H hereto (each, a "Discounted Prepayment Option Notice") that the Borrower desires to prepay Term Loans in an aggregate principal amount specified therein by the Borrower (each, a "Proposed Discounted Prepayment Amount"), in each case at a discount to the par value of such Term Loans as specified below. The Proposed Discounted Prepayment Amount of Term Loans shall not be less than \$10,000,000. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment: (A) the Proposed Discounted Prepayment Amount for Term Loans and the Class of Term Loans to which such offer relates, (B) a discount range (which may be a single percentage) selected by the Borrower with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of such Term Loans (the "Discount Range") and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment which shall be at least five Business Days following the date of the Discounted Prepayment Option Notice (the "Acceptance Date").

(iii) Upon receipt of a Discounted Prepayment Option Notice in accordance with SECTION 2.16(d)(ii), the Auction Manager (and if not the Auction Manager, the Administrative Agent) shall promptly notify each applicable Lender thereof. On or prior to the Acceptance Date, each Lender with Term Loans of the applicable Class may specify by written notice substantially in the form of Exhibit I hereto (each, a "Lender Participation Notice") to the Administrative Agent (A) a maximum discount to par (the "Acceptable Discount") within the Discount Range (for example, a Lender specifying a discount to par of 20% would accept a prepayment price of 80% of the par value of the Term Loans to be prepaid) and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of Term Loans of the applicable Class held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount ("Offered Loans"). Based on the Acceptable Discounts and principal amounts of Term Loans of the applicable Class specified by the Lenders in Lender Participation Notices, the Auction Manager, with the consent of the Borrower, shall calculate the applicable discount for Term Loans (the "Applicable Discount"), which Applicable Discount shall be (A) the percentage specified by the Borrower if the Borrower has selected a single percentage pursuant to SECTION 2.16(d)(ii) for

the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which the Borrower can pay the Proposed Discounted Prepayment Amount in full (determined by adding the principal amounts of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); provided, however, that in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be the lowest Acceptable Discount specified by the Lenders that is within the Discount Range. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans (as defined below). Any Lender with outstanding Term Loans under the applicable Class whose Lender Participation Notice is not received by the Auction Manager by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Term Loans at any discount to their par value within the Applicable Discount.

(iv) The Borrower shall make a Discounted Voluntary Prepayment by prepaying those Term Loans (or the respective portions thereof) offered by the Lenders (“Qualifying Lenders”) that specify an Acceptable Discount that is equal to or greater than the Applicable Discount (“Qualifying Loans”) at the Applicable Discount; provided that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Auction Manager). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay all Qualifying Loans.

(v) Unless such notice is rescinded, each Discounted Voluntary Prepayment shall be made within five Business Days of the Acceptance Date, without premium or penalty (and without Breakage Costs), upon notice substantially in the form of Exhibit J hereto (each a “Discounted Voluntary Prepayment Notice”), delivered to the Auction Manager no later than 1:00 P.M. New York City time, two Business Days prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted Voluntary Prepayment and the Applicable Discount determined by the Auction Manager. Upon receipt of any Discounted Voluntary Prepayment Notice the Auction Manager shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Discount on the applicable Term Loans, on the date specified therein together with accrued interest (on the par principal amount) to, but not including, such date on the amount prepaid unless such notice is rescinded.

(vi) To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to reasonable procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Discount in accordance with SECTION 2.16(d)(iii) above) reasonably established by the Auction Manager and the Borrower.

(vii) Prior to the delivery of a Discounted Voluntary Prepayment Notice, upon written notice to the Administrative Agent, the Borrower may withdraw its offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice.

(viii) To the extent the Term Loans of any Class are prepaid pursuant to this SECTION 2.16(d), scheduled amortization amounts for the Term Loans of such Class under SECTION 2.04 shall be reduced on in direct order maturity by the principal amount of the Term Loans so prepaid.

(ix) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this SECTION 2.16(d) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any pro rata payment requirements) (it being understood and acknowledged that purchases of the Term Loans contemplated by this SECTION 2.16(d) shall not constitute Investments by such Person) or any other Loan Document that may otherwise prohibit any transaction contemplated by this SECTION 2.16(d). The Administrative Agent may rely conclusively on any information provided by the Auction Manager and shall have no liability therefore.

SECTION 2.17 Mandatory Prepayment. The outstanding Obligations shall be subject to prepayment as follows:

(a) If on any date any Loan Party shall have received Net Proceeds from any sale, transfer or other disposition (including pursuant to a sale and leaseback transaction) of any Collateral permitted pursuant to clause (q) of the definition of "Permitted Dispositions", to the extent that such Net Proceeds are not required to be applied to the payment of obligations of the Borrower or other borrowers under the ABL Facility, an amount equal to 100% of such Net Proceeds shall be applied within five Business Days after such date toward the prepayment of Term Loans as set forth in SECTION 2.17(f) unless, ~~provided that~~ (a) no Specified Default has occurred and is continuing, (i) the proceeds therefrom are utilized for purposes of replacing, restoring or repairing the assets in respect of which such proceeds were received or reinvesting in assets used or useful in any of the Loan Parties' or Restricted Subsidiaries business within twelve (12) months of the receipt of such proceeds (or within eighteen (18) months of receipt of such proceeds if a letter of intent or other binding commitment to reinvest such proceeds is entered into within twelve (12) months of receipt of such proceeds) and (b) no such prepayment shall be required in respect of any Net Proceeds unless and until such amount exceeds \$10,000,000 in any Fiscal Year (and all amounts under such amount may be retained by the Borrower).

(b) If on any date any Loan Party shall have received Net Proceeds from any casualty or other insured damage to, or any taking under power of eminent domain or by condemnation, expropriation or similar proceeding of, any Collateral of a Loan Party, to the extent that such Net Proceeds are not required to be applied to the payment of obligations of the Borrower or other borrowers under the ABL Facility, an amount equal to 100% of such Net Proceeds shall be applied within five Business Days after such date toward the prepayment of Term Loans as set forth in SECTION 2.17(f) unless (i) the proceeds therefrom are required to be paid to the holder of a Lien on such property or

asset having priority over the Lien of the Collateral Agent, or (ii) the proceeds therefrom are utilized for purposes of replacing, restoring or repairing the assets in respect of which such proceeds, awards or payments were received or reinvesting in assets used or useful in any of the Loan Parties' or their Restricted Subsidiaries' business within twelve (12) months of the receipt of such proceeds (or within eighteen (18) months of receipt of such proceeds if a letter of intent or other binding commitment to reinvest such proceeds is entered into within twelve (12) months of receipt of such proceeds); provided that no such prepayment shall be required in respect of any Net Proceeds unless and until such amount exceeds \$10,000,000 in any Fiscal Year (and all amounts under such amount may be retained by the Borrower).

(c) If on any date any Loan Party shall have received Net Proceeds (i) from any Refinancing Term Loans or Indebtedness pursuant to clause (v)(i) of the definition of "Permitted Indebtedness" or (ii) from the incurrence of any Indebtedness of the Borrower or any of its Subsidiaries (other than Permitted Indebtedness), an amount equal to 100% of such Net Proceeds shall be applied within five Business Days after such date toward the prepayment of Term Loans as set forth in SECTION 2.17(f).

(d) If, for any Fiscal Year of the Borrower commencing with the Fiscal Year ending January 28, 2012, there shall be Excess Cash Flow, the Borrower shall, on the relevant Excess Cash Flow Application Date (as defined below), apply an amount, if positive, equal to the excess of (i) the ECF Percentage of such Excess Cash Flow minus (ii) the principal amount of Term Loans optionally prepaid pursuant to SECTION 2.16 during such Fiscal Year toward the prepayment of the Term Loans as set forth in SECTION 2.17(f) and the amount expended by the Borrower pursuant to SECTIONS 2.16(d) and 9.04(g) during such Fiscal Year. Each such prepayment shall be made on a date (an "Excess Cash Flow Application Date") no later than five Business Days after the date on which the compliance certificate of the Borrower has been delivered pursuant to SECTION 5.01(d).

(e) [Reserved].

(f) Any prepayment of any Term Loans pursuant to SECTIONS 2.17(a) through (d) above shall be applied to repay Term Loans of each then outstanding Class, provided, that (i) any prepayment of any Term Loans pursuant to SECTION 2.17(c) shall be applied to repay Term Loans of only those Class(es) selected by the Borrower. Any prepayment of any Class of Term Loans in accordance with the foregoing shall be applied as directed by the Borrower, (ii) to the extent any Qualifying Secured Debt that is secured on a pari passu basis with the Obligations requires a prepayment from Excess Cash Flow, the amount of the prepayment of the Term Loans required above shall be reduced in proportion of the ratio of the aggregate principal amount of the Term Loans then outstanding to the aggregate amount of the Term Loans and such Qualifying Secured Debt then outstanding and (iii) any Lender may elect to decline its share of any prepayment pursuant to clause (a), (b) or (d) above by giving notice to the Administrative Agent within one Business Day following the date the Borrower gives notice of such prepayment (any amount declined by a Lender pursuant to this subclause (iii) a "Declined Amount"). Subject to the foregoing, outstanding Prime Rate Loans of any Class shall be

prepaid before outstanding LIBO Loans of such Class are prepaid. No prepayment of LIBO Loans of any Class shall be permitted pursuant to this SECTION 2.17 until the last day of an Interest Period applicable thereto, unless the Borrower reimburses the Lenders for all Breakage Costs associated therewith within fifteen (15) Business Days of receiving a written demand for such reimbursement which sets forth the calculation of such Breakage Costs in reasonable detail. In order to avoid such Breakage Costs, as long as no Specified Default has occurred and is continuing, at the request of the Borrower, the Administrative Agent shall hold all amounts required to be applied to LIBO Loans of a particular Class in a Cash Collateral Account and will apply such funds to the applicable LIBO Loans of such Class at the end of the then pending Interest Period therefor (provided that the foregoing shall in no way limit or restrict the Agents' rights upon the occurrence and during the continuance of any other Event of Default).

(g) The Borrower shall prepay all Non-Converted Term B-34 Loans on the Amendment No. 56 Effective Date.

(h) Notwithstanding any other provisions of this SECTION 2.17, (A) to the extent that any or all of the Excess Cash Flow of a Foreign Subsidiary is prohibited or delayed by any requirement of law from being repatriated to the Loan Parties, an amount equal to the portion of Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in clause (d) above, as the case may be, but only so long, as the applicable requirement of law will not permit repatriation to the Loan Parties (the Loan Parties hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable requirement of law to permit repatriation), and once a repatriation of any of such affected Excess Cash Flow is permitted under the applicable requirement of law, an amount equal to such Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation is permitted) applied (net of any taxes that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) to the repayment of the Term Loans, and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Excess Cash Flow of a Foreign Subsidiary could have an adverse tax consequence with respect to such Excess Cash Flow, an amount equal to the Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary. For the avoidance of doubt, nothing in this Agreement, including SECTION 2.17 shall be construed to require any Foreign Subsidiary to repatriate cash.

SECTION 2.18 [Reserved].

SECTION 2.19 Fees.

(a) The Borrower shall pay to the Agents, for their respective accounts, (i) the fees set forth in the Fee Letter as and when payment of such fees is due as therein set forth and (ii) such other fees in the amounts and at the times separately agreed upon between the Borrower and the Agents.

(b) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for the account of the Administrative Agent and other Credit Parties as provided herein. Once due, all fees shall be fully earned and shall not be refundable under any circumstances (except to the extent set forth in the Fee Letter).

(c) The Borrower shall pay to each Lender on the Closing Date an upfront fee equal to 1.00% of the Term Loan made by such Lender on the Closing Date (which fee may be netted by each Lender from the proceeds of its Term Loan made to the Borrower).

(d) In the event that, at any time on or prior to the date which is six months after the Amendment No. 56 Effective Date and except for any event in connection with a Change in Control or other transaction prohibited by this Agreement, the Borrower makes any voluntary prepayment of all of the Term B-45 Loans with the proceeds of any secured term loan Indebtedness under any credit facility (other than pursuant to a Discounted Prepayment Offer or open market purchases), which term loan Indebtedness has a lower Yield than the Yield of the Term B-45 Loans and such term loan Indebtedness was incurred for the primary purpose of reducing the Yield of its term loan Indebtedness, then the Borrower agrees to pay to the Administrative Agent, for the account of each Lender with a Term B-45 Loan, a fee in an amount equal to 1.00% of such Lender's Term B-45 Loans prepaid with the proceeds of such term loan Indebtedness.

SECTION 2.20 Maintenance of Loan Account; Statements of Account. The Administrative Agent shall maintain an account on its books in the name of the Borrower (each, the "Loan Account") which will reflect (i) all Term Loans of each Class made by the Lenders to the Borrower or for the Borrower's account and (ii) any and all other monetary Obligations that have become payable. The Loan Account will be credited with all amounts received by the Administrative Agent from the Borrower or from other Persons for the Borrower's account, and the amounts so credited shall be applied as set forth in and to the extent required by SECTION 2.17(f) or 7.03, as applicable.

SECTION 2.21 Payments.

(a) The Borrower shall make each payment required to be made hereunder or under any other Loan Document (whether of principal, interest, fees, amounts payable under SECTION 2.14, 2.16(b) or 2.23, or otherwise) prior to 2:00 p.m. on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its Funding Office, except that payments pursuant to SECTIONS 2.14, 2.16(b), 2.23, 9.03 or any other provision hence specifying a Person, shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, except with

respect to LIBO Borrowings, the date for payment shall be extended to the next succeeding Business Day, and, if any payment due with respect to LIBO Borrowings shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, unless that succeeding Business Day is in the next calendar month, in which event, the date of such payment shall be on the last Business Day of subject calendar month, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) Except as specifically provided herein all funds received by and available to the Administrative Agent to pay principal, interest, fees and other amounts then due hereunder, shall be applied in accordance with the provisions of SECTIONS 2.17(f) or 7.03 ratably among the parties entitled thereto in accordance with the amounts of principal, interest, fees and other amounts then due to such respective parties.

(c) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate.

SECTION 2.22 [Reserved].

SECTION 2.23 Taxes.

(a) Any and all payments by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided, however, that if any applicable withholding agent shall be required to deduct or remit any such Taxes from such payments, then (i) in the case of any Indemnified Taxes or Other Taxes, the sum payable shall be increased as necessary so that after all required deductions or remittances for such Taxes have been made by the applicable withholding agent (including deductions applicable to additional sums payable under this SECTION 2.23) the applicable Credit Party receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall pay the full amount deducted to the relevant Governmental Authority in accordance with Applicable Law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.

(c) The Borrower shall indemnify each Credit Party, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes paid or payable by

such Credit Party on or with respect to any payment by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document and any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this SECTION 2.23) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto (whether or not correctly or legally asserted) to the extent not already paid by the Loan Parties pursuant to SECTION 2.23(a); provided that if the Borrower reasonably believes that such Taxes were not correctly or legally asserted, each Lender will use reasonable efforts to cooperate with the Borrower to obtain a refund of such taxes so long as such efforts would not, in the sole determination of such Lender, result in any additional costs, expenses or risks or be otherwise disadvantageous to it; provided further, that the Borrower shall not be required to compensate any Lender pursuant to this SECTION 2.23 for any penalties and interest incurred in any Fiscal Year for which such Lender is claiming compensation if such Lender does not furnish notice of such claim within six (6) months from the end of such Fiscal Year; provided further, that if the circumstances giving rise to such claim have a retroactive effect, then the beginning of such six month period shall be extended to include such period of retroactive effect. A certificate as to the amount of such payment or liability delivered to the Borrower by a Credit Party, or by the Administrative Agent on its own behalf or on behalf of any other Credit Party, setting forth in reasonable detail the manner in which such amount was determined, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate.

Without limiting the generality of the foregoing:

(i) Each Lender that is a U.S. Person within the meaning of Section 7701(a)(~~330~~) of the Code (a “Domestic Lender”) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and

duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter when required by law or upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two duly completed and executed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party;

(B) two duly completed and executed original copies of Internal Revenue Service Form W-8ECI (or any successor forms);

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in substantially the form of Exhibit L-1, or any other form approved by the Administrative Agent and the Borrower, to the effect that such Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Lender’s conduct of a U.S. trade or business and (y) two duly completed and executed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor form);

(D) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership, or a is a Participant holding a participation granted by participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, certificate in substantially the form of Exhibit L-2, L-3 or L-4 (as applicable), Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, a certificate in substantially the form of Exhibit L-2 shall be provided by such Lender on behalf of such direct or indirect partners); or

(E) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

Each Lender shall, from time to time after the initial delivery by such Lender of the forms described above, whenever a lapse in time or change in such Lender's circumstances renders such forms, certificates or other evidence so delivered expired, obsolete or inaccurate, promptly (1) deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) renewals, amendments or additional or successor forms, properly completed and duly executed by such Lender, together with any other certificate or statement of exemption required in order to confirm or establish such Lender's status or that such Lender is entitled to an exemption from or reduction in U.S. federal withholding tax or (2) notify Administrative Agent and the Borrower of its legal ineligibility to deliver any such forms, certificates or other evidence.

Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any documentation or information that such Lender is not legally eligible to deliver.

(f) [Reserved].

(g) Should a Lender become subject to Taxes because of its failure to deliver any documentation required hereunder, the Loan Parties shall, at such Lender's expense, take such steps as such Lender shall reasonably request to assist such Lender to recover such Taxes.

(h) If any Loan Party shall be required pursuant to this SECTION 2.23 to pay any additional amount to, or to indemnify, any Credit Party to the extent that such Credit Party becomes subject to Taxes subsequent to the Closing Date (or, if applicable, subsequent to the date such Person becomes a party to this Agreement) as a result of any change in the circumstances of such Credit Party (other than a change in Applicable Law), including without limitation a change in the residence, place of incorporation, principal place of business of such Credit Party or a change in the branch or lending office of such Credit Party, as the case may be, such Credit Party shall use reasonable efforts to avoid or minimize any amounts which might otherwise be payable pursuant to this SECTION 2.23(h); provided, however, that such efforts shall not include the taking of any actions by such Credit Party that would result in any tax, costs or other expense to such Credit Party (other than a tax, cost or other expense for which such Credit Party shall have been reimbursed or indemnified by the Loan Parties pursuant to this Agreement or otherwise) or any action which would or might in the reasonable opinion of such Credit Party have an adverse effect upon its business, operations or financial condition or otherwise be disadvantageous to such Credit Party.

(i) If the Administrative Agent or a Lender determines, in its good faith discretion, that it has received a refund in respect of any Indemnified Taxes or Other Taxes with respect to which the Borrower has paid additional amount pursuant to this SECTION 2.23, it shall pay over such refund within 30 days of its receipt thereof to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or other relevant Loan Party under this SECTION 2.23 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such Lender or Administrative Agent and without interest (other

than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that the Borrower, upon the request of such Lender or Administrative Agent, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This SECTION 2.23 shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(j) If a payment made to a Credit Party would be subject to United States federal withholding Tax imposed by FATCA if such Credit Party fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Credit Party shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by FATCA and at such time or times reasonably requested by the Loan Parties or the Administrative Agent any documentation reasonably requested by the Loan Parties or the Administrative Agent sufficient for the Administrative Agent and the Loan Parties to comply with their obligations under FATCA, to determine whether such Credit Party has complied with such applicable reporting requirements and to determine the amount, if any, required to be withheld.

SECTION 2.24 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under SECTION 2.14 or cannot make LIBO Loans under SECTION 2.11, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to SECTION 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Term Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to SECTION 2.14 or SECTION 2.23, as the case may be, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense. The Borrower hereby agrees to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment; provided, however, that the Borrower shall not be liable for such costs and expenses of a Lender requesting compensation if (i) such Lender becomes a party to this Agreement on a date after the Closing Date and (ii) the relevant Change in Law occurs on a date prior to the date such Lender becomes a party hereto.

(b) If any Lender becomes the subject of a Bail-In Action, requests compensation under SECTION 2.14 or cannot make Term Loans under SECTION 2.11, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to SECTION 2.23 or any Lender rejects an Extension request, then the Borrower may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions

contained in SECTION 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment) or (ii) prepay any such Lender on a non pro rata basis; provided, however, that (i) in the case of an assignment, the Borrower shall have received the prior written consent of the Administrative Agent to the extent required by SECTION 9.04, which consent shall not be unreasonably withheld, delayed or conditioned, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Term Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts or in the case of a non pro rata prepayment) and (iii) in the case of any such assignment resulting from a claim for compensation under SECTION 2.14 or payments required to be made pursuant to SECTION 2.23, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation or otherwise accept such payment if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.25 Permitted Debt Exchanges

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a “**Permitted Debt Exchange Offer**”) made from time to time by the Borrower, the Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Qualifying Secured Debt or Qualifying Other Debt in the form of notes (such notes, “**Permitted Debt Exchange Notes**,” and each such exchange a “**Permitted Debt Exchange**”), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by a Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans of a given Class (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which

exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Auction Manager, and (vi) any applicable Minimum Tender Condition shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this SECTION 2.25, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments, and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$5,000,000 in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii) the Representative may at its election specify as a condition (a “**Minimum Tender Condition**”) to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower’s discretion) of Term Loans of any or all applicable Classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower and the Auction Manager shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this SECTION 2.25 and without conflict with SECTION 2.25(a); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower and the Auction Manager) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Auction Manager, the Administrative Agent nor any Lender assumes any responsibility in connection with such Borrower’s compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable “insider trading” laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

ARTICLE III

Representations and Warranties

To induce the Credit Parties to enter into this Agreement and make the Term Loans, the Loan Parties executing this Agreement or a Joinder Agreement hereto, jointly and severally, make the following representations and warranties to each Credit Party with respect to each Loan Party on the Closing Date, and in each case as of the date such representation and warranty is made unless an earlier date is specified:

SECTION 3.01 Organization; Powers. Each Loan Party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite corporate or other applicable entity power and authority to own its property and assets and to carry on its business as now conducted, except, in each case, where the failure to do so, or so possess, individually or in the aggregate would not reasonably be expected to result in a Material Adverse Effect. Each Loan Party has all requisite organizational power and authority to execute and deliver and perform all its obligations under all Loan Documents to which such Loan Party is a party. Each Loan Party is qualified to do business in, and is in good standing (where such concept exists) in, every jurisdiction in which the nature of its business or the ownership or leasing of its properties makes such qualification necessary, except where the failure to be so qualified or in good standing individually or in the aggregate would not reasonably be expected to result in a Material Adverse Effect. Schedule 3.01 attached hereto sets forth, as of the Closing Date, each Loan Party's name as it appears in official filings in its state of incorporation or organization, its state of incorporation or organization, organization type, organization number, if any, issued by its state of incorporation or organization, and its federal employer identification number.

SECTION 3.02 Authorization; Enforceability. The transactions contemplated hereby and by the other Loan Documents to be entered into by each Loan Party are within such Loan Party's corporate powers and have been duly authorized by all necessary corporate, membership, partnership or other necessary action. This Agreement has been duly executed and delivered by each Loan Party that is a party hereto or thereto and constitutes, and each other Loan Document to which any Loan Party is a party, when executed and delivered by such Loan Party will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law, (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Loan Parties in favor of the Secured Parties and (iii) with respect to enforceability against Foreign Subsidiaries or under foreign laws, the effect of foreign laws, rules and regulations as they relate to pledges, if any, of Capital Stock in Foreign Subsidiaries and intercompany Indebtedness owed by Foreign Subsidiaries.

SECTION 3.03 Governmental and Other Approvals; No Conflicts. The transactions to be entered into and contemplated by the Loan Documents (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except for (i) such as have been obtained or made and are in full force and effect, (ii) filings and recordings necessary to perfect in the United States Liens created under the Loan Documents and enforce the rights of the Lenders and the Secured Parties under the Loan Documents, in each case to the extent required under the Security Documents or (iii) the failure of which to obtain would not reasonably be expected to result in a Material Adverse Effect, (b) will not violate any Applicable Law (except to the extent that such violation would not reasonably be expected to result in a Material Adverse Effect) or the Charter Documents of any Loan Party, (c) do not violate or result in a default (with due notice, lapse of grace period or both) under any indenture or any other agreement, instrument or other evidence of Material Indebtedness, except to the extent that such default would not reasonably be expected to result in a Material Adverse Effect, and (d) will not result in the creation or imposition of any Lien on any asset of any Loan Party, except Liens created under the Loan Documents and other Permitted Encumbrances.

SECTION 3.04 Financial Condition. The Borrower has heretofore furnished to the Agents the Consolidated balance sheet, and statements of operations, stockholders' equity, and cash flows for the Borrower and its Subsidiaries (i) as of and for the Fiscal Year ended February 1, 2014, audited by Deloitte & Touche LLP, independent public accountants, and (ii) as of and for the Fiscal Quarter ending May 3, 2014, certified by a Financial Officer of the Borrower. Such financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Borrower and its Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes. Since February 1, 2014 there has been no event, change, condition or development that has had or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.05 Properties.

(a) Except as disclosed on Schedule 3.05(a), each Loan Party has title to, or valid leasehold interests in or right to use, all its real and personal property material to its business, except for defects which would not reasonably be expected to have a Material Adverse Effect.

(b) Schedule 3.05(b) sets forth with respect to each Loan Party a list of all registrations and issuances of the United States registered Intellectual Property owned by such Loan Party and all applications for the registrations or issuance thereof as of the Closing Date. To the knowledge of each Loan Party, each such registration, issuance and application is subsisting except as would not, individually or in the aggregate, have a Material Adverse Effect. To the knowledge of each Loan Party, the Intellectual Property owned by each Loan Party is valid and enforceable, and no proceeding is pending challenging the ownership, registration, validity, enforceability or use of any item of Intellectual Property except as would not, individually or in the aggregate, have a Material Adverse Effect. Each Loan Party owns or is licensed to use, all Intellectual Property used in its business, except to the extent that the failure to so own or have the right to use would not reasonably be expected to have a Material Adverse Effect, and each Loan Party's use of Intellectual Property owned by such Loan Party does not infringe upon, misappropriate, dilute or otherwise violate the rights of any other Person, except for any such infringements, misappropriations, dilutions or other violations that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. No proceeding is pending (or to the knowledge of each Loan Party, threatened) in which any Person is alleging that a Loan Party is infringing, misappropriating, diluting, or otherwise violating the Intellectual Property rights of any Person except as would not, individually or in the aggregate, have a Material Adverse Effect.

(c) Schedule 3.05(c)(i) sets forth the address (including county) of all Real Estate that is owned by the Loan Parties as of the Closing Date. Schedule 3.05(c)(ii) sets forth the address (including county) of all Real Estate that is leased by the Loan Parties as of the Closing Date. Except as would not reasonably be expected to result in a Material Adverse Effect, to the knowledge of the Responsible Officers of the Loan Parties each of such Leases is in full force and effect and the Loan Parties are not in default of the terms thereof.

SECTION 3.06 Litigation and Environmental Matters.

(a) Except as set forth on Schedule 3.06(a), there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the actual knowledge of Responsible Officers of a Loan Party, threatened in writing against or affecting any Loan Party as to which there is a reasonable expectation of an adverse determination which, if adversely determined, would reasonably be expected individually or in the aggregate to result in a Material Adverse Effect (other than Disclosed Matters).

(b) Except as set forth on Schedule 3.06(b), no Loan Party (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any actual or potential claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability, which, in each case, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

(c) Except as set forth on Schedule 3.06(c), to the knowledge of the Loan Parties, no Real Estate or facility owned, operated or leased by any Loan Party is listed or proposed for listing on the National Priorities List promulgated pursuant to CERCLA or similar state "Superfund" list except to the extent that such filings, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

(d) Except as set forth on Schedule 3.06(d) as of the Closing Date, no Lien has been recorded or, to the knowledge of any Loan Party, threatened under any Environmental Law with respect to any Real Estate of the Loan Parties.

SECTION 3.07 Compliance with Laws and Agreements. Each Loan Party is in compliance with all Applicable Law and all Material Indebtedness, and no event of default has occurred and is continuing thereunder, except in each case where the failure to comply or the existence of a default, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. Without limiting the generality of the foregoing, each Loan Party has obtained all permits, licenses and other authorizations which are required with respect to the ownership and operations of its business, except where the failure to obtain such permits, licenses or other authorizations, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. Each Loan Party is in compliance with all terms and conditions of all such permits, licenses, orders and authorizations, except where the failure to comply with such terms or conditions, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

SECTION 3.08 Investment Company Status. No Loan Party is an "investment company" as defined in, and subject to regulation under, the Investment Company Act of 1940, as amended.

SECTION 3.09 Taxes. Each Loan Party has timely filed or caused to be filed all tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings, for which such Loan Party has set aside on its books adequate reserves in accordance with GAAP, and as to which no Lien has arisen or (b) to the extent that the failure to do so would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

SECTION 3.10 ERISA. The Loan Parties and their ERISA Affiliates are in compliance with the applicable provisions of ERISA and the Code with respect to each Plan except as would not reasonably be expected to result in a Material Adverse Effect. Except as would not result in a Material Adverse Effect, each Plan which is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service and nothing has occurred subsequent to the issuance of such determination letter which would cause such Plan to lose its qualified status. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, would reasonably be expected to result in a Material Adverse Effect. Except as would not result in a Material Adverse Effect, the present value of all accumulated benefit obligations under each Plan subject to ERISA (based on the assumptions used for purposes of the most recent actuarial report prepared by such Plan's actuaries) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan.

SECTION 3.11 Disclosure. None of the written reports, financial statements, certificates or other written information (other than any projections, pro formas, budgets and general market information) concerning the Loan Parties furnished by or on at the direction of any Loan Party to any Credit Party in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (as modified or supplemented by other information so furnished (together with the Borrower's (or its direct or indirect parent entity's) Annual Reports on Form 10-K for prior fiscal years and Quarterly Reports on Form 10-Q for the fiscal quarters since the last fiscal year-end, Form 8-Ks and Definitive Proxy Statement on Form 14A for the Borrower's (or its direct or indirect parent entity's) 2014 annual shareholder meeting)), when taken as a whole, contains, as of the date furnished, any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading in light of the circumstances under which such statements were made.

SECTION 3.12 Subsidiaries. Schedule 3.12 sets forth the name of, and the ownership interest of each Loan Party in, each Subsidiary as of the Closing Date; there is no other Capital Stock of any class outstanding as of the Closing Date. To the knowledge of the Loan Parties, all such shares of Capital Stock as of the Closing Date are validly issued, fully paid, and, with respect to corporate shares, nonassessable.

SECTION 3.13 Insurance. Schedule 3.13 sets forth a description of all business interruption, general liability, directors and officers liability, comprehensive, casualty and other insurance maintained by or on behalf of the Loan Parties as of the Closing Date. Each insurance policy listed on Schedule 3.13 is in full force and effect as of the Closing Date and all premiums

in respect thereof that are due and payable as of the Closing Date have been paid and such insurance is in such amounts and covering such risks and liabilities (and with such deductibles, retentions and exclusions) as are in accordance with normal and prudent industry practice. As of the Closing Date, none of BCF Holdings or any of its Subsidiaries (a) has received notice from any insurer (or any agent thereof) that substantial capital improvements or other substantial expenditures will have to be made in order to continue such insurance or (b) has any reason to believe that it will not be able to renew its existing coverage as and when such coverage expires or to obtain similar coverage from similar insurers at a substantially similar cost.

SECTION 3.14 Labor Matters. As of the Closing Date, there are no strikes, lockouts or slowdowns against any Loan Party pending or, to the actual knowledge of any Responsible Officer of any Loan Party, threatened, except to the extent that strikes, lockouts or slowdowns would not reasonably be expected to result in a Material Adverse Effect. The hours worked by and payments made to employees of the Loan Parties have not been in violation of the Fair Labor Standards Act or any other applicable federal, state, local or foreign law dealing with such matters to the extent that any such violation could reasonably be expected to have a Material Adverse Effect. Except to the extent that such liability would not reasonably be expected to have a Material Adverse Effect, all payments due from any Loan Party, or for which any claim may be made against any Loan Party, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued in accordance with GAAP as a liability on the books of such Loan Party. Except as set forth on Schedule 3.14, as of the Closing Date no Loan Party is a party to or bound by any material collective bargaining agreement. As of the Closing Date, the consummation of the transactions contemplated by the Loan Documents will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Loan Party is bound to the extent that such would be reasonably expected to result in a Material Adverse Effect.

SECTION 3.15 Security Documents. Subject to Section 45 of Amendment No. 5,6, the Security Documents create in favor of the Collateral Agent, for the benefit of the Collateral Agent and the other Secured Parties, legal, valid and enforceable security or mortgage interests in the Collateral (subject to (a) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law, (b) any filings and registrations required under Applicable Law to perfect the Liens on the Collateral granted by the Loan Parties in favor of the Collateral Agent for the benefit of the Secured Parties (which filings or recordings shall be made to the extent required by any Security Document) and (c) with respect to enforceability against Foreign Subsidiaries or under non-U.S. laws, the effect of non-U.S. laws, rules and regulations as they relate to pledges, if any, of Capital Stock in Foreign Subsidiaries and intercompany Indebtedness owed by Foreign Subsidiaries), and the Security Documents constitute, or will upon the filing of financing statements or other instruments within the time periods prescribed under Applicable Law and/or the obtaining of "control," in each case with respect to the relevant Collateral as required under the applicable Uniform Commercial Code or similar legislation of any jurisdiction, to the extent security interests in such Collateral can be perfected by such filings or control, the creation of a fully perfected and enforceable (subject to (a) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law and (b) with respect to enforceability

through any of their respective officers, agents and employees, and no Agent nor any of their respective directors, officers, agents or employees shall be liable to any other Secured Party for any action taken or omitted to be taken in good faith, or be responsible to any other Secured Party for the consequences of any oversight or error of judgment, or for any loss, except to the extent of any liability imposed by law by reason of such Agent's own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). No Agent nor any of their respective directors, officers, agents and employees shall in any event be liable to any other Secured Party for any action taken or omitted to be taken by it pursuant to instructions received by it from the Applicable Lenders, or in reliance upon the advice of counsel selected by it. Without limiting the foregoing no Agent, nor any of their respective directors, officers, employees, or agents shall be: (i) responsible to any other Secured Party for the due execution, validity, genuineness, effectiveness, sufficiency, or enforceability of, or for any recital, statement, warranty or representation in, this Agreement, any other Loan Document or any related agreement, document or order; (ii) required to ascertain or to make any inquiry concerning the performance or observance by any Loan Party of any of the terms, conditions, covenants, or agreements of this Agreement or any of the Loan Documents; (iii) responsible to any other Secured Party for the state or condition of any properties of the Loan Parties or any other obligor hereunder constituting Collateral for the Obligations or any information contained in the books or records of the Loan Parties; (iv) responsible to any other Secured Party for the validity, enforceability, collectability, effectiveness or genuineness of this Agreement or any other Loan Document or any other certificate, document or instrument furnished in connection therewith; or (v) responsible to any other Secured Party for the validity, priority or perfection of any Lien securing or purporting to secure the Obligations or for the value or sufficiency of any of the Collateral.

(b) The Agents may execute any of their duties under this Agreement or any other Loan Document by or through their agents or attorneys-in-fact, and shall be entitled to the advice of counsel concerning all matters pertaining to its rights and duties hereunder or under the other Loan Documents. The Agents shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by them with reasonable care.

(c) None of the Agents nor any of their respective directors, officers, employees, or agents shall have any responsibility to any Loan Party on account of the failure or delay in performance or breach by any other Secured Party (other than by each such Agent in its capacity as a Lender) of any of its respective obligations under this Agreement or any of the other Loan Documents or in connection herewith or therewith.

(d) The Agents shall be entitled to rely, and shall be fully protected in relying, upon any notice, consent, certificate, affidavit, or other document or writing believed by them in good faith to be genuine and correct and to have been signed, sent or made by the proper person or persons, and upon the advice and statements of legal counsel (including, without limitation, counsel to the Loan Parties), independent accountants and other experts selected by any Loan Party or any Secured Party. The Agents shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan

Document unless they shall first receive such advice or concurrence of the Applicable Lenders as they deem appropriate or they shall first be indemnified to their satisfaction by the other Secured Parties against any and all liability and expense which may be incurred by them by reason of the taking or failing to take any such action.

SECTION 8.06 Notice of Default. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has actual knowledge of the same or has received notice from a Secured Party or Loan Party referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” In the event that an Agent obtains such actual knowledge or receives such a notice, such Agent shall give prompt notice thereof to each of the other Secured Parties. Upon the occurrence of an Event of Default, the Agents shall (subject to the provisions of SECTION 9.02) take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders. Unless and until the Agents shall have received such direction, the Agents may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Default or Event of Default as they shall deem advisable in the best interest of the Secured Parties. In no event shall the Agents be required to comply with any such directions to the extent that the Agents believe that their compliance with such directions would be unlawful.

SECTION 8.07 Credit Decisions. Each Secured Party (other than the Agents) acknowledges that it has, independently and without reliance upon the Agents or any other Secured Party, and based on the financial statements prepared by the Loan Parties and such other documents and information as it has deemed appropriate, made its own credit analysis and investigation into the business, assets, operations, property, and financial and other condition of the Loan Parties and has made its own decision to enter into this Agreement and the other Loan Documents. Each Credit Party (other than the Agents) also acknowledges that it will, independently and without reliance upon the Agents or any other Secured Party, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in determining whether or not conditions precedent to closing any Revolving Credit Loan hereunder have been satisfied and in taking or not taking any action under this Agreement and the other Loan Documents.

SECTION 8.08 Reimbursement and Indemnification. Each Secured Party (other than the Agents) agrees to (i) reimburse the Agents for such Secured Party’s pro rata share of all Obligations held by such Secured Party of (x) any expenses and fees incurred by any Agent for the benefit of Secured Parties under this Agreement and any of the other Loan Documents, including, without limitation, counsel fees and compensation of agents and employees paid for services rendered on behalf of the Secured Parties, and any other expense incurred in connection with the operations or enforcement thereof not reimbursed by the Loan Parties, and (y) any expenses of any Agent incurred for the benefit of the Secured Parties that the Loan Parties have agreed to reimburse pursuant to this Agreement or any other Loan Document and have failed to so reimburse, and (ii) indemnify and hold harmless each Agent and any of their respective directors, officers, employees, or agents, on demand, in the amount of such Secured Party’s pro rata share of all Obligations held by such Secured Party, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or

asserted against it or any Secured Party in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by it or any of them under this Agreement or any of the other Loan Documents to the extent not reimbursed by the Loan Parties, including, without limitation, costs of any suit initiated by each Agent against any Secured Party (except such as shall have been determined by a court of competent jurisdiction or another independent tribunal having jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent); provided, however, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Secured Party in its capacity as such. The provisions of this SECTION 8.08 shall survive the repayment of the Obligations and the termination of the Commitments.

SECTION 8.09 Rights of Agents. It is understood and agreed that the Agents shall have the same rights and powers hereunder (including the right to give such instructions) as the other Lenders and may exercise such rights and powers, as well as their rights and powers under other agreements and instruments to which they are or may be party, and engage in other transactions with the Loan Parties, as though they were not the Agents. Each Agent and their respective Affiliates may accept deposits from, lend money to, and generally engage in any kind of commercial or investment banking, trust, advisory or other business with the Loan Parties and their Affiliates as if it were not an Agent thereunder.

SECTION 8.10 Notice of Transfer. The Administrative Agent may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Acceptance shall have become effective as set forth in SECTION 9.04.

SECTION 8.11 Successor Agents. Any Agent may resign at any time by giving thirty (30) Business Days' written notice thereof to the other Secured Parties and the Borrower. Upon any such resignation of an Agent, the Required Lenders shall have the right to appoint a successor Agent, which, so long as there is no payment or bankruptcy Event of Default, shall be reasonably satisfactory to the Borrower (whose consent in any event shall not be unreasonably withheld, delayed or conditioned). If no successor Agent shall have been so appointed by the Required Lenders and/or none shall have accepted such appointment within thirty (30) days after the retiring Agent's giving of notice of resignation, the retiring Agent may, on behalf of the other Secured Parties, appoint a successor Agent which shall be a commercial bank (or affiliate thereof) organized under the laws of the United States of America or of any State thereof and having a combined capital and surplus of a least \$1,000,000,000, or capable of complying with all of the duties of such Agent hereunder (in the opinion of the retiring Agent and as certified to the other Secured Parties in writing by such successor Agent) which, so long as there is no payment or bankruptcy Event of Default, shall be reasonably satisfactory to the Borrower (whose consent shall not in any event be unreasonably withheld, delayed or conditioned). Upon the acceptance of any appointment as Agent by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent and the retiring Agent shall be discharged from its duties and obligations under this Agreement. After any retiring Agent's resignation hereunder as such Agent, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was such Agent under this Agreement.

SECTION 8.12 Relation Among the Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of any Agent) authorized to act for, any other Lender.

SECTION 8.13 Reports and Financial Statements. By signing this Agreement, each Lender:

(a) is deemed to have requested that the Agents furnish such Lender, promptly after they become available, copies of all financial statements required to be delivered by the Borrower hereunder and all commercial finance examinations and appraisals of the Collateral received by the Agents (collectively, the "Reports") (and the Agents agree to furnish such Reports promptly to the Lenders, which Reports may be furnished in accordance with the final paragraph of SECTION 5.01);

(b) expressly agrees and acknowledges that no Agent makes any representation or warranty as to the accuracy of the Reports, and shall not be liable for any information contained in any Report;

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agents or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;

(d) agrees to keep all Reports confidential and strictly for its internal use, and not to distribute except to its participants, or use any Report in any other manner; and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold each Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any Term Loans that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Term Loan or Term Loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold each Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Agents and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender in violation of the terms hereof.

SECTION 8.14 Agency for Perfection. Each Lender hereby appoints each other Lender as agent for the purpose of perfecting Liens for the benefit of the Agents and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other Applicable Law of the United States of America can be perfected only by possession or control. Should any Secured Party (other than an Agent) obtain possession or control of any such Collateral, such Secured Party shall notify the Collateral Agent thereof, and, promptly upon the Collateral

Agent's request therefor shall deliver such Collateral to the Collateral Agent, or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

SECTION 8.15 Authority to Enter Into Intercreditor Agreements. The Administrative Agent and Collateral Agent are hereby authorized, without any further consent of any Lender (other than the consent of the Required Lenders provided in connection with this Agreement) to enter into (a) any Pari Passu Lien Intercreditor Agreement or Second Lien Intercreditor Agreement (together with (i) any immaterial changes thereto and (ii) material changes thereto in light of prevailing market conditions, which material changes shall be posted to the Lenders not less than five Business Days before execution thereof and, if the Required Lenders shall not have objected to such changes within five Business Days after posting, then the Required Lenders shall be deemed to have agreed that the Administrative Agent's and/or Collateral Agent's entry into such intercreditor agreement (with such changes) is reasonable and to have consented to such intercreditor agreement (with such changes) and to the Administrative Agent's and/or Collateral Agent's execution thereof, in each case in form and substance reasonably satisfactory to the Administrative Agent and/or Collateral) with the holders of any Qualifying Secured Debt (or their agents), (b) to amend any Intercreditor Agreement in order to include the holders of such Qualifying Secured Debt appropriately therein.

SECTION 8.16 Collateral Matters.

(a) The Lenders hereby irrevocably authorize the Collateral Agent to release any Lien upon any Collateral (i) upon the termination of the Commitments and payment and satisfaction in full of all Obligations (other than contingent obligations with respect to then unasserted claims), (ii) constituting property being sold, transferred or disposed of in a Permitted Disposition to a Person that is not a Loan Party, (iii) which constitutes property subject to the proviso in the definition of "Collateral" in the Security Agreement or subject to the proviso in SECTION 2.1 of the Pledge Agreement, (iv) as provided in any Intercreditor Agreement, including the ABL Intercreditor Agreement with respect to Revolver Priority Collateral and (v) as to the Collateral of any Facility Guarantor, upon its release from its Facility Guarantee (including as a result of designation as an Unrestricted Subsidiary). Except as provided above, the Collateral Agent will not release any of the Collateral Agent's Liens without the prior written authorization of the Applicable Lenders. Upon request by any Agent or any Loan Party at any time, the Lenders will confirm in writing the Collateral Agent's authority to release any Liens upon particular types or items of Collateral pursuant to this SECTION 8.16.

(b) The Collateral Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens upon any Collateral described in SECTION 8.16(a); provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in its reasonable opinion, would, under Applicable Law, expose the Collateral Agent to liability or create any obligation or entail any adverse consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Loan Party in respect of) all interests retained by any Loan Party, including (without limitation) the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(c) Each Lender irrevocably authorizes each of the Administrative Agent and the Collateral Agent to (i) release any Guarantor from its obligations under a Facility Guarantee if such Person ceases to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder and (ii) upon the request of the Borrower and pursuant to documentation reasonably acceptable to the Administrative Agent and/or Collateral Agent, to subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted under clause (f), (h) or ~~(ht)~~ of the definition of Permitted Encumbrances.

(d) The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in SECTION 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle

and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

SECTION 8.17 Arrangers. Notwithstanding the provisions of this Agreement or any of the other Loan Documents, the Arrangers shall have no powers, rights, duties, responsibilities or liabilities with respect to this Agreement and the other Loan Documents in their capacities as such.

SECTION 8.18 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower pursuant to SECTIONS 2.14 and 2.23 and without limiting, expanding or otherwise affecting any obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this SECTION 8.18. The agreements in this SECTION 8.18 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Agreement and the repayment, satisfaction or discharge of all other obligations.

SECTION 8.19 Representation by Lenders.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that:

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by any Credit Party in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Credit Parties hereunder and under the other Loan Documents are cumulative and are not exclusive of any other rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by SECTION 9.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Term Loan shall not be construed as a waiver of any Default or Event of

Default, regardless of whether any Credit Party may have had notice or knowledge of such Default or Event of Default at the time.

(b) Except as otherwise specifically provided herein (including SECTIONS ~~2.05~~2.05, 2.06 and 2.062.10(b)), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Loan Parties and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Agent(s) and the Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided, however, that no such waiver, amendment, modification or other agreement shall:

(i) increase the Commitment of any Lender without the prior written consent of such Lender (it being understood that a waiver of any condition precedent or of any Default or Event of Default or mandatory prepayment hereunder shall not constitute an increase of any Commitment of any Lender);

(ii) without:

(A) the prior written consent of all Lenders directly and adversely affected thereby (but not the Required Lenders), reduce the principal amount of any Obligation or reduce the rate of interest thereon (other than the waiver of the Default Rate), or reduce any fees payable under the Loan Documents; provided that no amendment entered into pursuant to the terms of SECTION 2.10(b) shall constitute a reduction in the rate of interest or fees for purposes of this clause (A);

(B) the prior written consent of all Lenders directly and adversely affected thereby (but not the Required Lenders), postpone the scheduled date of payment of the principal amount of any Obligation, or any interest thereon, or reduce the amount of, waive or excuse any such payment, or postpone the Maturity Date (it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment shall not constitute a postponement of any date scheduled for the payment of principal or interest or constitute a reduction, waiver or excuse of any payment of principal or interest and a waiver of interest pursuant to SECTION 2.12 shall not constitute a reduction, waiver or excuse of any payment of interest);

(C) the prior written consent of Lenders directly and adversely affected thereby (but not the Required Lenders), except for Permitted Dispositions or for Collateral releases as provided in SECTION 8.16, release all or substantially all of the Collateral from the Liens of the Security Documents (it being understood that entering into any Pari Passu Intercreditor Agreement or incurring any Qualifying Secured Debt shall not constitute a release of all or substantially all of the Collateral from the Liens of the Security Documents);

(D) the prior written consent of all Lenders directly and adversely affected thereby (but not the Required Lenders), except as expressly permitted hereby and by the Facility Guarantees, release all or substantially all of the value of the Facility Guarantees; or

(E) the prior written consent of all Lenders directly and adversely affected thereby (but not the Required Lenders), change SECTION 2.17(a) or (b) or SECTION 7.03 to adversely affect pro rata sharing; ~~or~~

(F) ~~(iii)~~ the prior written consent of all Lenders, change any of the provisions of this SECTION 9.02(b) or reduce the percentage required to consent in the definition of “Required Lenders.”; or

(G) the prior written consent of all Lenders of the relevant Class, amend, waive, or otherwise modify the definition of “Required Class Lenders” as it relates to such Class.

(c) Notwithstanding anything to the contrary contained in this SECTION 9.02:

(i) in the event that the Borrower shall request that this Agreement or any other Loan Document be modified, amended or waived in a manner which would require the consent of the Lenders pursuant to SECTION 9.02(b) or all directly and adversely affected Lenders and such amendment is approved by the Required Lenders but not by the requisite percentage of the Lenders (other than the Required Lenders (or more than 50% of the directly and adversely affected Lenders)), the Borrower and the Administrative Agent shall be permitted to amend this Agreement without the consent of the Lender or Lenders which did not agree to the modification or amendment requested by the Borrower (such Lender or Lenders, collectively the “Minority Lenders”), provided that, with respect to each such Minority Lender, the Borrower shall, by giving written notice to Administrative Agent and such Minority Lender of its election to do so, elect either (x) to cause such Minority Lender (and such Minority Lender hereby irrevocably agrees) to assign its outstanding Term Loans in full to one or more Eligible Assignees (each a “Replacement Lender”) in accordance with the provisions of SECTION 9.04 and such Minority Lender shall pay any fees payable thereunder in connection with such assignment or (y) prepay such Minority Lender on a non pro rata basis; provided further that (1) on the date of such assignment, the Replacement Lender shall pay to the Minority Lender an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the Minority Lender; (2) on the date of such assignment, the Borrower shall pay any amounts payable to such Minority Lender pursuant to SECTIONS 2.14, 2.16(b) or 2.23 or otherwise as if it were a prepayment (and, if, other than in connection with a Change in Control or other transaction not permitted hereby, such Minority Lender is being removed in connection with an amendment for the primary purpose of lowering the effective interest rates of the Term B-45 Loan or that modifies SECTION 2.19(d) in a manner adverse to such Minority Lender prior to the date which is six months after the Amendment No. 56 Effective Date, the Borrower shall also pay to such Minority Lender a fee equal to 1.00% of the Term B-45 Loan of such Minority Lender that is required to be so assigned); and (3) each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Minority Lender did not consent. In

connection with any such replacement, if the Minority Lender does not execute and deliver to the Administrative Agent a duly completed Assigned and Acceptance and/or any other documentation necessary to reflect such replacement within a period of time deemed reasonable by the Administrative Agent as of the date on which the Replacement Lender executes such Assignment and Acceptance and/or such other documentation, then such Minority Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such documentation on behalf of such Minority Lender. Upon the prepayment of all amounts owing to any Minority Lender, such Minority Lender shall no longer constitute a "Lender" for purposes hereof; provided, any rights of such Minority Lender to indemnification hereunder shall survive as to such Minority Lender;

(ii) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(iii) the Borrower and the Administrative Agent may without the input or consent of the Lenders, effect amendments to this Agreement and the other Loan Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and Borrower to effect the provisions of SECTION 2.05 or 2.06 or to effect any refinancing, extension, renewal or replacement of the Term Loans with any Refinancing Term Loans, Qualifying Secured Debt or Qualifying Other Debt.

(v) if the Administrative Agent and the Borrower shall have jointly identified (x) any obvious error, any error or omission of a technical or immaterial nature, in any provision of the Loan Documents, (y) to effect administrative changes of a technical or immaterial nature or (z) incorrect cross references or similar inaccuracies in this Agreement or the applicable Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

(vii) notwithstanding the foregoing, this Agreement may be amended (or amended and restated) solely with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as such term is defined below) to permit the refinancing of all or any portion of any Class of Term Loans outstanding as of the applicable date of determination (the “Refinanced Term Loans”) with a replacement term loan tranche hereunder (the “Replacement Term Loans”), provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans plus premiums, accrued interest, fees and expenses in connection therewith, (ii) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless the any such higher Applicable Margin applies after the final maturity date of all then outstanding Term Loans, (iii) the Weighted Average Life to Maturity and final maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity and final maturity of such Refinanced Term Loans at the time of such refinancing (without giving effect to nominal amortization) and (iv) the mandatory prepayment provisions of the Replacement Term Loans shall not require more than pro rata payments with the existing Term Loans.

(d) No notice to or demand on any Loan Party shall entitle any Loan Party to any other or further notice or demand in the same, similar or other circumstances. Each holder of a Note shall be bound by any amendment, modification, waiver or consent authorized as provided herein, whether or not a Note shall have been marked to indicate such amendment, modification, waiver or consent and any consent by a Lender, or any holder of a Note, shall bind any Person subsequently acquiring a Note, whether or not a Note is so marked. No amendment to this Agreement or any other Loan Document shall be effective against any Loan Party unless signed by such Loan Party.

(f) Subject to the provisos of this paragraph, for purposes of any amendment, modification, waiver or consent (other than pursuant to SECTIONS 9.02(b)(i), (ii), (iii) or any amendment, modification, waiver or consent that directly and adversely affects any member of the Sponsor Group in its capacity as a Lender disproportionately in relation to other affected Lenders) under any Loan Document, any Term Loans held by a member of

the Sponsor Group (other than any Investment Fund) shall be automatically deemed to be voted in the same proportion as all other Lenders who are not members of the Sponsor Group; provided that (a) in the event that any proceeding under the Bankruptcy Code shall be instituted by or against the Borrower, each member of the Sponsor Group (other than any Investment Fund) shall acknowledge and agree that they are each “insiders” under Section 101(31) of the Bankruptcy Code and, as such, the claims associated with the Term Loans and Commitments owned by it shall not be included in determining whether the applicable class of creditors holding such claims has voted to accept a proposed plan for purposes of Section 1129(a)(10) of the Bankruptcy Code, or, alternatively, to the extent that the foregoing designation is deemed unenforceable for any reason, each member of the Sponsor Group (other than any Investment Fund) shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not members of the Sponsor Group, except to the extent that any plan of reorganization proposes to treat the Obligations held by such member of the Sponsor Group in a manner that is less favorable in any material respect to such member of the Sponsor Group than the proposed treatment of similar Obligations held by Lenders that are not members of the Sponsor Group; and (c) for purposes of this paragraph, for the avoidance of doubt, members of the Sponsor Group shall be deemed to not include Investment Funds (and the foregoing limitations shall not apply in respect of Investment Funds).

In connection with any indemnified claim hereunder, the Indemnitee shall be entitled to select its own counsel and the Loan Parties shall promptly pay the reasonable fees and expenses of such counsel.

(c) No party to this Agreement shall assert and, to the extent permitted by Applicable Law, each such party hereby waives, any claim against any other party to this Agreement or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the transactions contemplated by the Loan Documents, any Term Loan or the use of the proceeds thereof; provided that nothing in this paragraph (c) shall limit the Loan Parties' indemnification obligations under SECTION 9.03(b) to any Indemnitee.

Each Lender that sells a participation, acting solely for this purpose as a non-fiduciary agent of the Borrower (solely for tax purposes), shall maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant’s interest in the Term Loans or other obligations under this Agreement (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant’s interest in any Term Loan or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive,

and such Lender, each Loan Party and the Administrative Agent shall treat each person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

(ii) A Participant shall not be entitled to receive any greater payment under SECTION 2.14 or SECTION 2.23 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent or the right to receive a greater payment results from a Change in Law after the participant becomes a Participant.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this SECTION shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Term Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement, provided that (i) nothing herein shall constitute a commitment by any SPV to make any Term Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Term Loan, the Granting Lender shall be obligated to make such Term Loan pursuant to the terms hereof. The making of a Term Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Term Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this SECTION 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Term Loan to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Term Loans and (ii) disclose on a confidential basis any non-public information relating to its Term Loans to

any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(f) (i) Notwithstanding SECTION 9.04(b), any Lender may assign all or a portion of its Term Loans to a member of the Sponsor Group (other than a natural person) in accordance with this SECTION 9.04(f) (and any member of the Sponsor Group (other than any Investment Fund) shall not assign any Term Loan pursuant to SECTION 9.04(b) above or acquire a participation in a Term Loan or sell a participation in its Term Loans unless the conditions set forth in subparagraph (x) and, solely in the case of an assignment, subparagraph (y) below are satisfied); provided that:

(x) each Lender making such assignment to a member of the Sponsor Group acknowledges and agrees that in connection with such assignment, (1) such member of the Sponsor Group then may have and later may come into possession of MNPI, (2) such Lender has independently, and without reliance on any Loan Party, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the MNPI and (3) none of the Loan Parties, the Administrative Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Applicable Law, any claims such Lender may have against any Loan Party, the Administrative Agent, and their respective Affiliates, under Applicable Law or otherwise, with respect to the nondisclosure of the MNPI; each Lender entering into such an assignment further acknowledges that the MNPI may not be available to the Administrative Agent or the other Lenders;

(y) the assigning Lender or the Lender to whom such assignment is being made, as the case may be, and the member of the Sponsor Group (other than any Investment Fund) purchasing such Lender's Term Loans or assigning Term Loans to such Lender, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit K hereto (an "Affiliated Lender Assignment and Acceptance") in lieu of an Assignment and Acceptance; and

(z) no Term Loan may be assigned to a member of the Sponsor Group (other than any Investment Fund) pursuant to this SECTION 9.04(f), if after giving effect to such assignment, the members of the Sponsor Group (other than any Investment Fund) in the aggregate would own (or hold participations in) in excess of 20% of all Term Loans of any Class then outstanding at the time of assignment.

(ii) ~~(i)~~ Notwithstanding anything to the contrary in this Agreement, no member of the Sponsor Group (other than any Investment Fund) shall have any right to (a) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Loan Parties are not invited, (b) receive any information or material prepared by Administrative Agent or any Lender or any communication by or among Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to any Loan Party or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Term Loans

required to be delivered to Lenders pursuant to ARTICLE II), or (c) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against the Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Loan Documents.

(iii) ~~(ii)~~ Notwithstanding anything in SECTION 9.01 or the definition of “Required Lenders” or “Required Class Lenders” to the contrary, for purposes of determining whether the Required Lenders and/or Required Class Lenders, as applicable, have (a) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (b) otherwise acted on any matter related to any Loan Document, or (c) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document all Term Loans held by any member of the Sponsor Group (other than an Investment Fund) shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders and/or Required Class Lenders, as applicable, have taken any actions.

(iv) ~~(iii)~~ Additionally, if there is any assignment of any Term Loan pursuant to this SECTION 9.04(f), each Loan Party and each member of the Sponsor Group (other than any Investment Fund) that becomes a Lender hereunder hereby agree that if a case under Title 11 of the United States Code is commenced against any Loan Party, such Loan Party shall seek (and each such member of the Sponsor Group (other than any Investment Fund) shall consent) to provide that the vote of any member of the Sponsor Group (other than any Investment Fund) (in its capacity as a Lender) with respect to any plan of reorganization of such Loan Party shall not be counted except that any member of the Sponsor Group’s (other than any Investment Fund) vote (in its capacity as a Lender) may be counted to the extent any such plan of reorganization proposes to treat the Obligations held by such member of the Sponsor Group (other than any Investment Fund) in a manner that is less favorable to such member of the Sponsor Group (other than any Investment Fund) than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower.

(g) Any Lender may, at any time, assign all or a portion of its Term Loans to any Loan Party through (x) offers to purchase open to all Lenders on a pro rata basis in accordance with SECTION 2.16(d) and/or (y) open market purchases on a non-pro rata basis, provided that in the case of clause (y) (i) no Event of Default has occurred and is continuing, (ii) any Term Loans that are so assigned will be automatically and irrevocably cancelled and the aggregate principal amount of the tranches and installments of the relevant Term Loans then outstanding shall be reduced by an amount equal to the principal amount of such Term Loans, (iii) each Lender making such assignment to any Loan Party acknowledges and agrees that in connection with such assignment, (1) the Loan Parties then may have and later may come into possession of MNPI, (2) such Lender has independently, and without reliance on any Loan Party, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment, notwithstanding such Lender’s lack of knowledge of the MNPI and (3) none of the Loan Parties, the Administrative Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby

waives and releases, to the extent permitted by Applicable Law, any claims such Lender may have against Loan Party, the Administrative Agent and their respective Affiliates, under Applicable Law or otherwise, with respect to the nondisclosure of the MNPI (other than claims as a result of a breach of SECTION 9.04). Each Lender entering into such an assignment further acknowledges that the MNPI may not be available to the Administrative Agent or the other Lenders.

SECTION 9.05 Survival. All covenants, agreements, indemnities, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Term Loans, regardless of any investigation made by any such other party or on its behalf and, notwithstanding that any Credit Party may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until (i) the Commitments have expired or been terminated and (ii) the principal of and interest on each Term Loan and all fees and other Obligations (other than contingent indemnity obligations with respect to then unasserted claims) shall have been paid in full. The provisions of SECTION 2.14, SECTION 2.23, SECTION 9.03 and Article VIII shall survive and remain in full force and effect regardless of the repayment of the Obligations, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof. In connection with the termination of this Agreement and the release and termination of the security interests in the Collateral, the Agents, on behalf of themselves and the other Credit Parties, may require such indemnities as they shall reasonably deem necessary or appropriate to protect the Credit Parties against loss on account of credits previously applied to the Obligations that may subsequently be reversed or revoked.

SECTION 9.06 Counterparts; Integration; Effectiveness.

Delivery of an executed counterpart of a signature page of this Agreement or any other Loan Document by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement or such other Loan Document. This Agreement became effective on the Closing Date. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

SECTION 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the

extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If any Specified Default shall have occurred and be continuing, each Secured Party, each Participant and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final, but excluding any payroll, trust and tax withholding accounts) at any time held and other obligations at any time owing by such Secured Party, Participant or Affiliate to or for the credit or the account of the Loan Parties against any and all of the Obligations of the Loan Parties now or hereafter existing under this Agreement or other Loan Document to the extent such are then due and owing, although such Obligations may be otherwise fully secured; provided that such Secured Party shall provide the Borrower with written notice promptly after its exercise of such right of setoff. The rights of each Secured Party under this SECTION 9.08 are in addition to other rights and remedies (including other rights of setoff) that such Credit Party may have. No Credit Party will, or will permit its Participant to, exercise its rights under this SECTION 9.08 without the consent of the Administrative Agent or the Required Lenders. ANY AND ALL RIGHTS TO REQUIRE THE COLLATERAL AGENT TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES ANY OF THE OBLIGATIONS PRIOR TO THE EXERCISE BY ANY SECURED PARTY, PARTICIPANT OR AFFILIATE OF ITS RIGHT OF SETOFF UNDER THIS SECTION ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) Each Loan Party agrees that any suit for the enforcement of this Agreement or any other Loan Document may be brought in the courts of the State of New York sitting in the Borough of Manhattan or any federal court sitting therein as the Administrative Agent may elect in its sole discretion and consents to the exclusive jurisdiction of such courts. Each party to this Agreement hereby waives any objection which it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient forum and agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Credit Party may otherwise have to bring any action or proceeding relating to this Agreement against a Loan Party or its properties in the courts of any jurisdiction.

(c) Each Loan Party agrees that any action commenced by any Loan Party asserting any claim or counterclaim arising under or in connection with this Agreement or any other Loan Document shall be brought solely in a court of the State of New York sitting in the Borough of Manhattan or any federal court sitting therein as the

Administrative Agent may elect in its sole discretion and consents to the exclusive jurisdiction of such courts with respect to any such action.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in SECTION 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY); AND WAIVES DUE DILIGENCE, DEMAND, PRESENTMENT AND PROTEST AND ANY NOTICES THEREOF AS WELL AS NOTICE OF NONPAYMENT. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVERS, AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Press Releases and Related Matters. The Borrower consents to the publication by the Administrative Agent of customary trade advertising material in tombstone format relating to the financing transactions contemplated by this Agreement using the Borrower's name, and with the consent of the Borrower, logo or trademark. The Administrative Agent shall provide a draft reasonably in advance of any advertising material to the Borrower for review and comment prior to the publication thereof. The Arrangers, acting in such capacity, reserve the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements.

SECTION 9.12 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Term Loan, together with all fees, charges and other amounts that are treated as interest on such Term Loan under Applicable Law (collectively, the "Charges"), shall be found by a court of competent jurisdiction in a final order to exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Term Loan in accordance with Applicable Law, the rate of interest payable in respect of such Term Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Term Loan but were not payable as a result of the operation of this SECTION shall be cumulated and

the interest and Charges payable to such Lender in respect of other Term Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14 Additional Waivers.

(a) The Obligations are the joint and several obligation of each Loan Party. To the fullest extent permitted by Applicable Law, the obligations of each Loan Party hereunder shall not be affected by (i) the failure of any Credit Party to assert any claim or demand or to enforce or exercise any right or remedy against any other Loan Party under the provisions of this Agreement, any other Loan Document or under Applicable Law, (ii) any rescission, waiver, amendment or modification of, or any release of any Loan Party from, any of the terms or provisions of, this Agreement, any other Loan Document, or (iii) the failure to perfect any security interest in, or the release of, any of the Collateral or other security held by or on behalf of the Collateral Agent or any other Credit Party.

(b) The obligations of each Loan Party to pay the Obligations in full hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment of such Obligations), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Loan Party hereunder shall not be discharged or impaired or otherwise affected by the failure of the Administrative Agent or any other Credit Party to assert any claim or demand or to enforce any remedy under this Agreement, any other Loan Document or any other agreement, by any waiver or modification of any provision of any thereof, any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the payment of such Obligations).

(c) To the fullest extent permitted by Applicable Law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash of all the Obligations after the termination of all Commitments to any Loan Party under any Loan Document. The Collateral Agent and the other Credit Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that all the Obligations have been indefeasibly paid in full in cash and performed in full after the termination of Commitments to any Loan Party under any Loan Document. Pursuant to Applicable

Law, each Loan Party waives any defense arising out of any such election even though such election operates, pursuant to Applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

(d) Without limiting the generality of the foregoing, or of any other waiver or other provision set forth in this Agreement, each Loan Party waives all rights and defenses arising out of an election of remedies by any Credit Party, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed such Credit Party's rights of subrogation and reimbursement against such Loan Party by the operation of Section 580(d) of the California Code of Civil Procedure or otherwise. Each Loan Party waives all rights and defenses that such Loan Party may have because the Obligations are secured by Real Estate which means, among other things: (i) a Credit Party may collect from any Loan Party without first foreclosing on any Real Estate or personal property Collateral pledged by a Loan Party; (ii) if any Credit Party forecloses on any Real Estate pledged by any Loan Party, the amount of the Obligations may be reduced only by the price for which that Real Estate is sold at the foreclosure sale, even if the Real Estate is worth more than the sale price; and (iii) the Credit Parties may collect Obligations from a Loan Party even if a Credit Party, by foreclosing on any such Real Estate, has destroyed any right any Loan Party may have to collect from the other Loan Parties. This is an unconditional and irrevocable waiver of any rights and defenses any Loan Party may have because the Obligations are secured by Real Estate. These rights and defenses include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d or 726 of the California Code of Civil Procedure. Each Loan Party hereby absolutely, knowingly, unconditionally, and expressly waives any and all claim, defense or benefit arising directly or indirectly under any one or more of Sections 2787 to 2855 inclusive of the California Civil Code or any similar law of California.

(e) Each Loan Party hereby agrees to keep each other Loan Party fully apprised at all times as to the status of its business, affairs, finances, and financial condition, and its ability to perform its Obligations under the Loan Documents, and in particular as to any adverse developments with respect thereto. Each Loan Party hereby agrees to undertake to keep itself apprised at all times as to the status of the business, affairs, finances, and financial condition of each other Loan Party, and of the ability of each other Loan Party to perform its Obligations under the Loan Documents, and in particular as to any adverse developments with respect to any thereof. Each Loan Party hereby agrees, in light of the foregoing mutual covenants to inform each other, and to keep themselves and each other informed as to such matters, that the Credit Parties shall have no duty to inform any Loan Party of any information pertaining to the business, affairs, finances, or financial condition of any other Loan Party, or pertaining to the ability of any other Loan Party to perform its Obligations under the Loan Documents, even if such information is adverse, and even if such information might influence the decision of one or more of the Loan Parties to continue to be jointly and severally liable for, or to provide Collateral for, the Obligations of one or more of the other Loan Parties. To the fullest extent permitted by applicable law, each Loan Party hereby expressly waives any duty of the Credit Parties to inform any Loan Party of any such information.

SECTION 9.15 Confidentiality. Each of the Credit Parties agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to their and their Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors involved with the financing (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and agree to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by Applicable Laws or by any subpoena or similar legal process (the Credit Parties' agreeing to furnish the Borrower with notice of such process and an opportunity to contest such disclosure as long as furnishing such notice and opportunity would not result in the Credit Parties' violation of Applicable Law), (d) to any other party to this Agreement and, to the extent consisting of information necessary and customary for inclusion in league table measurements, the Arrangers, acting in such capacity, may share such information with lending industry trade organizations, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as, or not less favorable to the Borrower than, those of this SECTION, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement and any actual or prospective counterparty or advisors to any swap or derivative transactions relating to the Loan Parties and the Obligations (other than to Disqualified Institutions that have been identified in writing to all Lenders (other than, with respect to any Disqualified Institution identified in accordance with the definition of "Disqualified Institutions", its Affiliates that are reasonably readily identifiable on the basis of their name; provided that the list of Disqualified Institutions may be provided to prospective Lenders or counterparties whether or not such Lenders or counterparties are Disqualified Institutions), (g) with the consent of the Loan Parties, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this SECTION, or to the knowledge of such Credit Party, the breach of any other Person's obligation to keep the information confidential, or (ii) becomes available to any Credit Party on a nonconfidential basis from a source other than the Loan Parties, or (i) to the extent that such Information is independently developed by such Credit Party. For the purposes of this SECTION, the term "Information" means all information received from or on behalf of the Loan Parties or any of their Affiliates relating to their business. Any Person required to maintain the confidentiality of Information as provided in this SECTION shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.16 Patriot Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender to identify such Borrower in accordance with the Act. The Borrower is in compliance, in all material respects, with the Act. No part of the proceeds of the Term Loans will be used by the Loan Parties, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain,

retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

SECTION 9.17 [Reserved].

SECTION 9.18 Intercreditor Agreements. The Loan Parties, the Agents, the Lenders and the other Credit Parties acknowledge that the exercise of certain of the Agents' rights and remedies hereunder may be subject to, and restricted by, the provisions of the Intercreditor Agreements. Except as specified herein, nothing contained in the Intercreditor Agreements shall be deemed to modify any of the provisions of this Agreement and the other Loan Documents, which, as among the Loan Parties, the Agents, the Lenders and the other Credit Parties shall remain in full force and effect.

SECTION 9.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Loan Parties acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers, are arm's-length commercial transactions between the Loan Parties and their respective Subsidiaries, on the one hand, and the Agents and the Arrangers, on the other hand, (B) each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of Loan Parties is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent and each Arranger is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Loan Parties or any of their respective Subsidiaries, or any other Person and (B) neither any Agent nor any Arranger has any obligation to the Loan Parties or any of their respective Subsidiaries with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers and their respective Subsidiaries may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Subsidiaries, and neither any Agent nor any Arranger has any obligation to disclose any of such interests to the Loan Parties or any of their respective Subsidiaries. To the fullest extent permitted by law, each of the Loan Parties hereby waives and releases any claims that it may have against the Agents and the Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

[SIGNATURE PAGES FOLLOW]

BURLINGTON, New Jersey; November 21, 2017 — Burlington Stores, Inc. (NYSE: BURL), a nationally recognized off-price retailer of high-quality, branded apparel at everyday low prices, today announced its results for the third quarter ended October 28, 2017.

Tom Kingsbury, CEO, stated, “We are pleased to report strong third quarter results, driven by a 3.1% comparable store sales increase, which was on top of a 3.7% comparable increase in last year’s third quarter. Our overall 7.1% sales growth, along with our 115 basis point Adjusted EBITDA margin improvement, enabled the Company to drive a 37% increase in Adjusted EPS in the third quarter, well ahead of our guidance. I would like to thank our store, supply chain and corporate teams for contributing to these strong results.”

Fiscal 2017 Third Quarter Operating Results:

- **Total sales** increased 7.1% over the prior year period to \$1,438 million. This growth was driven by an incremental \$60 million from new and non-comparable stores, as well as a 3.1% increase in comparable store sales. Consistent with the Company’s policy regarding weather related incidents, the comparable store sales calculation excludes 19 stores which were closed for 7 or more days within a month during the third quarter. The impact of these store closures, which is reflected in the total sales results for the third quarter, reduced the incremental contribution from new and non-comparable sales by \$17 million.
- **Gross margin** expanded by 100 basis points over last year’s levels to 42.2% driven primarily by increased merchandise margin. In addition, product sourcing costs as a percent of sales were flat on a rate basis to the prior year’s quarter. Product sourcing costs are included in selling, general and administrative expenses (SG&A).
- **SG&A, less product sourcing costs**, as a percentage of sales was 28.3%, representing a 20 basis point improvement compared with the Fiscal 2016 third quarter.
- **The effective tax rate** on a GAAP basis improved 120 basis points to 33.8% driven primarily by the adoption of the new share-based compensation accounting, which contributed 430 basis points of improvement. Exclusive of the accounting change for share-based compensation, the effective tax rate was 38.1% compared with 35.0% during last year’s third quarter.
- **Net income** increased 38% over the prior year period to \$45 million, or \$0.65 per share vs. \$0.45 last year, and Adjusted Net Income increased 34% to \$49 million, or \$0.70 per share, vs. \$0.51 last year. These improvements were driven primarily by top line growth, gross margin expansion, tight expense

control, share repurchases since the end of the third quarter last year, and the \$2.9 million benefit, or \$0.04 per share, from the accounting change for share-based compensation.

- **Fully diluted shares outstanding** amounted to 69.5 million at the end of the quarter compared with 71.6 million at the end of last year's third quarter. The decrease was primarily the result of share repurchases under the Company's share repurchase program. Since the end of the third quarter of Fiscal 2016, the Company has repurchased 3.1 million shares of its common stock under its share repurchase program.
- **Adjusted EBITDA** increased 22%, or \$24 million above the prior year period, to \$134 million. The 115 basis point expansion in Adjusted EBITDA as a percentage of sales was primarily driven by gross margin expansion.

First Nine Months Fiscal 2017 Results

- Total sales increased 6.9%, which included a comparable store sales increase of 2.4% over the first nine months of Fiscal 2016, on top of last year's 4.5% comparable store sales increase. Net income increased 60% over the prior year period to \$144 million, or \$2.04 per share vs. \$1.25 last year. Adjusted EBITDA increased by 21%, or \$68 million above last year, to \$398 million, representing a 110 basis point increase in rate for the first nine months of Fiscal 2017 vs. the prior year period. Adjusted Net Income of \$157 million was up 48% vs. last year, while Adjusted EPS was \$2.22 for the first nine months of Fiscal 2017 vs. \$1.47 in the prior year period.

Inventory

- Merchandise inventories were \$904 million vs. \$822 million last year. The increase was primarily due to an increase in pack and hold inventory, which was 15% of total inventory at the end of the third quarter of Fiscal 2017 compared to 12% at the end of the third quarter of Fiscal 2016, and inventory related to 39 net new stores opened since the end of the third quarter of Fiscal 2016. Comparable store inventory turnover improved 10%, and comparable store inventory was down 2% at the end of the third quarter of Fiscal 2017.

Share Repurchase Activity

- During the third quarter, the Company invested \$70 million of cash to repurchase 804,577 shares of its common stock. The Company utilized the remaining \$39 million on its previous share repurchase program, as well as \$31 million of the new \$300 million share repurchase program authorized by the Board of Directors on August 16, 2017. As of the end of the third quarter, the Company had \$269 million remaining on its current share repurchase authorization.

Term Loan Repricing and Extension

- On November 17, 2017, the Company completed the repricing and extension of its senior secured term loan facility, which reduced the applicable interest rate margin from 2.75% to 2.50%, with the LIBOR floor remaining 0.75%. The new senior secured term loan facility is comprised of a single tranche of loans maturing in November 2024. The net proceeds of the new senior secured term loan facility were used to repay all indebtedness under the previous term loan B facility, which was set to mature in 2021, as well as to pay related fees and expenses. Any gains, losses or fees related to this transaction will be reflected in the Company's financial results for the fourth quarter of Fiscal 2017.

Full Year Fiscal 2017 and Fourth Quarter 2017 Outlook

For the full Fiscal Year 2017 (the 53-weeks ending February 3, 2018), the Company now expects:

- Total sales to increase in the range of 8.1% to 8.4%, including 1.4% from the 53rd week; this assumes comparable store sales to increase in the range of 2% to 3% for the fourth quarter, resulting in a full year comparable store sales increase of 2.3% to 2.6% on top of the 4.5% increase during Fiscal 2016. Note that the updated total sales increase is negatively impacted by \$17 million caused by the 19 store closures in the third quarter, as well as approximately \$25 million from 8 stores that will remain closed during the fourth quarter;
- Interest expense of approximately \$58 million;
- Adjusted EPS in the range of \$4.23 to \$4.27, utilizing a fully diluted share count of approximately 70.3 million, as compared with \$3.24 in Fiscal 2016. This includes an expected benefit from the 53rd week of approximately \$0.04 per share, and an anticipated increase of approximately \$0.20 per share resulting from the accounting change for share-based compensation.
- Adjusted EBITDA margin expansion to increase 80 to 90 basis points; and
- To open 37 net new stores, and invest Net Capital Expenditures of approximately \$215 million.

For the fourth quarter of Fiscal 2017 (the 14 weeks ending February 3, 2018), the Company expects:

- Total sales to increase in the range of 11.0% to 12.0%, including 5.0% from the 53rd week. This increase includes the negative impact of \$25 million from the 8 stores that will remain closed during the fourth quarter;
- Comparable store sales to increase in the range of 2% to 3% on top of a 4.6% increase during the fourth quarter of Fiscal 2016; and
- Adjusted EPS in the range of \$2.02 to \$2.06, which assumes no benefit from the accounting change for share-based compensation and utilizing a fully diluted share count of approximately 69.3 million shares, as compared to \$1.78 last year. Adjusted EPS for the fourth quarter includes a \$0.04 benefit from the 53rd week.

The Company has not presented a quantitative reconciliation of the forward-looking non-GAAP financial measures set out above to their most comparable GAAP financial measures because it would require the Company to create estimated ranges on a GAAP basis, which would entail unreasonable effort. Adjustments required to reconcile forward-looking non-GAAP measures cannot be predicted with reasonable certainty but may include, among others, costs related to debt amendments, loss on extinguishment of debt, and impairment charges, as well as the tax effect of such items. Some or all those adjustments could be significant.

Note regarding Non-GAAP financial measures

The foregoing discussion of the Company's operating results includes references to Adjusted EBITDA, Adjusted Net Income, Adjusted Earnings per Share (or Adjusted EPS) and Adjusted Operating Margin. The Company believes these measures are useful in evaluating the operating performance of the business and for

comparing its historical results to that of other retailers. These non-GAAP financial measures are defined and reconciled to the most comparable GAAP measure later in this document.

Reconciliation of Non-GAAP Financial Measures

(Unaudited)

(Amounts in thousands except per share data)

Adjusted Net Income, Adjusted EPS, Adjusted EBITDA and Adjusted Operating Margin

The following tables calculate the Company's Adjusted Net Income, Adjusted EPS, Adjusted EBITDA (earnings before (i) net interest expense, (ii) loss on the extinguishment of debt, (iii) costs related to debt amendments, (iv) stock option modification expense, (v) depreciation and amortization, (vi) impairment charges, (vii) amounts related to certain ongoing litigation, (viii) income tax expense (benefit) and (ix) other unusual, non-recurring or extraordinary expenses, losses, charges or gains) and Adjusted Operating Margin (EBIT), all of which are considered Non-GAAP financial measures. Generally, a Non-GAAP financial measure is a numerical measure of a company's performance, financial position or cash flows that either excludes or includes amounts that are not normally excluded or included in the most directly comparable measure calculated and presented in accordance with GAAP.

Adjusted Net Income is defined as net income for the period plus (i) net favorable lease amortization, (ii) costs related to debt amendments, (iii) stock option modification expense, (iv) loss on extinguishment of debt, (v) impairment charges, (vi) amounts related to certain ongoing litigation and (vii) other unusual, non-recurring or extraordinary expenses, losses, charges or gains, all of which are tax effected to arrive at Adjusted Net Income.

Adjusted EPS is defined as Adjusted Net Income divided by the fully diluted weighted average shares outstanding, as defined in the table below.

Adjusted Operating Margin is defined as net income for the period plus (i) net interest expense, (ii) net favorable lease amortization, (iii) loss on the extinguishment of debt, (iv) costs related to debt amendments, (v) stock option modification expense, (vi) impairment charges, (vii) amounts related to certain ongoing litigation, (viii) income tax expense (benefit) and (ix) other unusual, non-recurring or extraordinary expenses, losses, charges or gains.

The Company presents Adjusted Net Income, Adjusted EPS, Adjusted EBITDA and Adjusted Operating Margin because it believes they are useful supplemental measures in evaluating the performance of the Company's business and provide greater transparency into the results of operations. In particular, the Company believes that excluding certain items that may vary substantially in frequency and magnitude from operating income are useful supplemental measures that assist in evaluating the Company's ability to generate earnings and leverage sales, and to more readily compare these metrics between past and future periods.

The Company believes that Adjusted Net Income, Adjusted EPS, Adjusted EBITDA and Adjusted Operating Margin provide investors helpful information with respect to the Company's operations and financial condition. Other companies in the retail industry may calculate these non-GAAP measures differently such that the Company's calculation may not be directly comparable. The adjustments to these metrics are not in accordance with regulations adopted by the SEC that apply to periodic reports presented under the Exchange Act. Accordingly, Adjusted Net Income, Adjusted EPS, Adjusted EBITDA and Adjusted Operating Margin may be presented differently in filings made with the SEC than as presented in this report or not presented at all.
